Dear Marian Eucharistic Healing Friends,

Cross Thirst plans to offer a two-day retreat this year. Our theme is **O Blessed Mother, Cause of Our Joy, Pray for Us!**

These are trying times for our world and Jesus and Mary give us much hope and joy in all the brokenness we experience around us.

We need Mary’s intercession more than ever before so please consider coming away to be with like-minded Catholics and Christians to spend time in contemplation, prayer, and listening to what the Holy Spirit asks of us. Please invite a family member or friend to join us (and we know that some of you have!)

As usual, this retreat will be held at Christ the King Retreat House, Syracuse, NY. Dates are evening Friday, July 22nd and whole day Saturday, July 23rd. Preregistration is required. You will find more information at [marianeucharistic.weebly.com](http://marianeucharistic.weebly.com) and on the events page at [syracusediocese.org](http://syracusediocese.org). Please be kind enough to send registration forms only after June 15th and through July 12th.

Even if you cannot come, we gently ask that you let others know about this retreat.)

## St. Norbert | June 6

Born to nobility, St. Norbert of Xanten, was ordained as a subdeacon and served in the court of Henry V, Emperor of Germany, however, at court it was easy to be distracted by wealth, power and luxury and he lived a worldly and corrupt life there. By the grace of God while traveling in a storm he was nearly struck by lightning and almost killed. This experience changed St. Norbert and he became penitent, left his court post, and after a period of discernment in a monastery, felt called to be a priest.

Norbert became an itinerant preacher, preaching against worldly attitudes but at the Pope's request finally settled in northern France and founded the Norbertine order established according to the rule of St. Augustine. The order grew rapidly and soon founded women's branch. Norbert traveled and preached across Germany where he also founded a lay branch of the Norbertines. In Belgium he preached against heresies which denied the Blessed Sacrament.

Eventually he was made Archbishop of Magdeburg, Germany, and later he traveled to Rome in support of Pope Innocent II, against the antipope. Afterward he returned to Germany to court of Emperor Lothar as advisor, at end of life, in failing health, St. Norbert was carried back to Magdeburg where he died.

## Mass Celebrated Around the World

**Question:** Is Catholic Mass really celebrated the same throughout the whole world?

**Answer:** One of the truisms of the Catholic Faith is that "wherever you go in the world the Mass is the same." *In fact, the answer to this question is both "yes" and "no."*

On the one hand, the essential elements of the Roman Rite are the same. The structure of the Mass as it is presented in the Roman Missal is consistent and this is one of the beauties of belonging to a liturgical tradition.

On the other hand, however, there are elements of celebrations that can vary depending on the country or even local region you might be in. For example, in certain parts of the world, certain feasts and solemnities are celebrated on different days (even here in the United States the Solemnity of the Ascension of the Lord can be celebrated on Thursday of the Sixth Week of Easter or it may take the place of the Seventh Sunday of Easter, depending on what diocese you are in). Whether it is the use of certain liturgical colors, local celebrations of regional saints, special seasonal blessings of crops or produce, or the use of dance and processions all demonstrate a sort of organic variety that can exist even within our established liturgical tradition. While we always respect what is essential to the rite, such local variations and traditions are very much in keeping with the vision of liturgical renewal and adaption envisioned by the Second Vatican Council's Constitution on the Sacred Liturgy (nos. 37-40).
