Grad Caps & God's Guidance

Our parish's 2022 high school graduates had a blessing-filled final week. On Monday, June 6th, Father Nathan and others spoke to graduates at the Camden Hills Regional High School Baccalaureate service, after the group marched through town. This past Sunday at the 11am Graduation Mass at Our Lady of Good Hope to honor all our high school graduates, Father Nathan brought parents and graduates together to give a powerful and poignant blessing of thanksgiving and guidance, committing them to God's care. Congratulations graduates—Samuel Brownawell, Christopher Cammelieri, Rachael Rademacher, Jacinta Sigaud, Ali Tassoni—we wish you continued blessings and success—and may you continue to be lights in our world and build up His kingdom!

Corpus Christi Reflection: Excerpts from the USCCB's 'The Reception of Holy Communion at Mass'

The Church understands the Communion Procession, in fact every procession in liturgy, as a sign of the pilgrim Church, the body of those who believe in Christ, on their way to the Heavenly Jerusalem. All our lives we who believe in Christ are moving in time toward that moment when we will be taken by death from this world and enter into the joy of the Lord in the eternal Kingdom he has prepared for us... When we move in procession, particularly the procession to receive the Body and Blood of Christ in Communion, we are a sign, a symbol of that pilgrim Church "on the way."

For some, however, the experience of the Communion Procession is far more prosaic, analogous perhaps to standing in line in the supermarket or at the motor vehicle bureau. A perception such as this is a dreadfully inaccurate and impoverished understanding of what is a significant religious action. The Communion Procession is an action of the Body of Christ. At Christ's invitation, extended by the priest acting in Christ's person: "Blessed are those called to the supper of the Lamb," the members of the community move forward to share in the sacred meal, to receive the Body and Blood of Christ which is the sign and the source of their unity. In fact, each time we move forward together to receive the Body and Blood of the Lord, we join the countless ranks of all the baptized who have gone before us, our loved ones, the canonized and uncanonized saints down through the ages, who at their time in history formed a part of this mighty stream of believers...

It is difficult for some of us to embrace this emphasis on Mass as the action of a community rather than an individual act of my own faith and piety, but it is important that we make every effort to do so. Christ himself at the Last Supper pleaded with his Father: "Holy Father, keep them in your name that you have given me, so that they may be one just as we are... as you, Father, are in me and I in you, that they also may be in us..." (John 17:11, 21)...

Finally, the fact that the Communion Procession is a profoundly religious action tells us something about the way in which we should participate in this procession. We are the Body of Christ, moving forward to receive the Christ who makes us one with himself and with one another. Our procession should move with dignity; our bearing should be that of those who know they have been redeemed by Christ and are coming to receive their God!...

HELP FOR COUPLES

How can you help a couple whose marriage seems stuck in misery?

Couples can slowly drift apart or are torn apart by terrible words or actions. For many, it has been years since they knew the joy of a loving relationship. Retrouvaille is a Christian peer ministry of Catholic origin that is helping couples put the pieces back together. Over 76% of those who attend the weekend are still married five years later. Over 95% would recommend a weekend to a struggling couple. **Our next weekend is August 12, 2022 in the Greater Boston area. FMI: retrouvaille@gmail.com or call 1 (800) 470-2230**

LAUDATO SI' *Reflections*

“LAUDATO SI’, Mi Signore” – “Praise to You, my Lord.” It was only a few months ago that I became personally aware that these words represented a “marriage” of two very important things in my life—my catholic faith and my care and concern for the environment. In 1224, our church's patron Saint Francis of Assisi wrote these words in a beautiful canticle to remind us that our common home, the earth, is like a sister with whom we share our life and a beautiful mother who opens her arms to embrace us and, in 2015, Pope Francis decided to use them as the title for his papal letter to the church on this topic. I guess I wasn't paying attention at the time and sadly it took seven years but better late than never! “Praise be to You, my Lord, through our Sister, Mother Earth, who sustains and governs us, and who produces various fruits with colored flowered and herbs.” God has bestowed this precious gift on us and it is up to us to take care of it and preserve it. I love the synergies here... Saint Francis and Pope Francis, Belfast and Rome, and the integration of faith and environmental concern. No longer two separate cares in my life but now one integrated whole. With delight and this new awareness, I have begun to notice more and more places in my spiritual life where this care for our common home is raised and reinforced. I look forward to more opportunities to reflect on this integration and encourage you to follow this bulletin column each week to begin or continue your own journey.

Suggestion: In the weeks ahead look and listen for references in scripture, both during Mass and in your own readings, for references to care for our common home and its creatures.
