From Christine Fee, Pastoral Life Coordinator

Back in 2009 the diocese combined our churches into one parish. Labeled as "Cluster 14", by the diocese, we called ourselves St. Brendan the Navigator Parish, and were tasked with coming together as one, after years of operating separately.

As a newbie on the parish staff, I remember the challenges we faced together. But now, in 2022, 13 years later, we've made huge strides in bringing our family together as one. I enjoy attending Mass and parish events and seeing members from all three churches present, saying hi to one another and asking how their loved ones are doing. This past year we had a women's Bible study group and women from all three of our main churches were there, sharing intimate and beautiful testimony of their lives and inspiring one another!

The clustering unfortunately dismantled most of our commissions and COVID has dealt a devastating blow. Some of us have not come back to Mass and a sense of disconnection from clustering and COVID lingers. Where do we go from here?

Right now, we have a unique opportunity, Father Nathan and Father Divine have talked to us about forming parish teams in the last two bulletins. Just to recap: the idea is for each of our three main churches to have a team of 8-10 faith-filled and engaged parishioners who have their pulse on the life of the church community. These folks would represent various areas of church life and meet at least monthly to help discern/communicate/implement their church's needs, goals, and desires, making sure they maintain their unique identity while integrating with the larger parish vision.

Parish teams will be a bridge to help others know what is happening in our church communities, strengthening what is already there and working, and visioning what possibilities there might be for the future. I would like to stress here, and sorry for my bluntness, that these team members are not going to do all the work—it takes *all* of us.

The hope is that each team organically ignites fires of discernment, prayer, and action in all parishioners, creating a vibrant and intentional parish. By our baptism, each of us are called in big or small ways to be involved in the life of our church. This may be the only way we will have a church in the future and to grow as a family in Christ. Prayers for every church and our parish!

MISSION APPEAL JULY 16/17

How desperate would you have to be—to feed your children mud?

For mothers in Haiti, it happens all too frequently. Especially during this Coronavirus era and the ongoing violence during the current political, economic and social challenges.

That's one of the reasons the Sisters of Mercy and a group of volunteers are now working in Haiti. These are the same Sisters of Mercy who have been present here in Maine since 1865.

Sister Dale Jarvis, and Sister Jill Weber, both Sisters of Mercy, will be at Masses on the weekend of July 16 and 17th. They will talk about the many ministries they sponsor, for women, men, and children. They will share the care they give to the abandoned elderly, as well as the empowerment program they run to help women care for their children and stand proud.

We look forward to hearing them and supporting them with our prayers and financial aid.

AROUND THE PARISH

ORDER YOUR WINDOW INSERTS NOW

Do you want to be warmer next winter?
Do you want to save on your fuel bill?
Do you want to help the environment?

Parishioners are reminded that they must order window inserts now from Window Dressers to have them in time and in place before the heating season begins. These affordable inserts can cut fuel bills by up to 20% and keep your house warmer. The costs of the inserts covers the cost of materials. The labor to build them relies on volunteers which allows the costs to be kept very low.

If you are interested in ordering inserts visit the Window Dressers website (www.windowdressers.org) or call 207-230-9902. You may also contact parishioner Dianne Smith for more info at 207-322-4443 or dcjrsmith@hotmail.com

PLUS! This year the parish's Caring Fund will support and work with Window Dressers of Maine to help keep Maine families warm during the winter. Note that the second collection for the Caring Fund's initiative will be the weekend of July 23/24th.

Glory is the name given to the blessedness of the future life in which the soul is united to God: "For I reckon that the sufferings of this time are not worthy to be compared with the glory which shall be revealed in us." (Romans 8:18)

As an adult convert to the Catholic faith, I trust in that future united to God. While at every Mass (if just for a moment) receive uniting with each Eucharist where we can taste and see God — as **Glory Origin Destiny**.

I did not always understand the Catholic faith as I understand it today, living out instead what a Priest friend once said to me, "I am still converting" (and he is a priest!). Before my ongoing conversion, my brother said to me "Tim, you like hiking and nature. Imagine knowing the Creator." Today I can fall into holy tears in my "Yes" — I know the Creator.

It is in this intersection of the Eucharist and nature that my interest in *Laudato Si'* piqued. Expressing a new call to deeper conversion Pope Francis's encyclical posits a call to care for our common home rooted in our glorification, our origin (*Gen. 1:26-28*) and our destiny. In section 236, Pope Francis quotes Benedict XVI:

In the bread of the Eucharist, "creation is projected towards divinization, towards the holy wedding feast, towards unification with the Creator himself." (LS 236, Benedict XVI, Homily for the Mass of Corpus Domini)

In these beautiful summer months in Maine, take a few moments to read Pope Francis' *Laudato Si'*, it can be found online at the Vatican website, here: https://www.vatican.va/content/francesco/en/encyclicals/documents/papa-francesco_20150524_enciclica-laudato-si.html

A LIFELINE FOR STRUGGLING MARRIAGES

How can you help a couple whose marriage seems stuck in misery?

Couples can slowly drift apart

or are torn apart by terrible words or actions. For many, it has been years since they knew the joy of a loving relationship. Retrouvaille is a Christian peer ministry of Catholic origin that is helping couples put the pieces back together. Over 76% of those who attend the weekend are still married five years later. Over 95% would recommend a weekend to a struggling couple. **Our next weekend is August 12, 2022 in the Greater Boston area. FMI: retrouvaille@gmail.com or call 1 (800) 470-2230**

Thank You, Sr. Kathleen & Sr. Anna for your service to Holy Mother Church!

Staff and Catechists joined together to bid Sr. Kathleen and Sister Anna well. Sister Kathleen passes on the Faith Formation baton and enters retirement (she will be here until the late July). Thank you Sister Kathleen and Sister Anna!

Thank you for your priesthood, Father Nathan!

Father Nathan was surprised with an extra-large whoopie pie, made by parishioner-baker-extraordinaire, Paula Williamson, for his 15th anniversary of ordination. The big challenge was keeping it away from Cappy!

GOSPEL MEDITATION ~ 15TH SUNDAY IN ORDINARY TIME

We can learn a great deal from Mister Rogers. Remember him? He was the gentle soul who found his way into living rooms worldwide starting as far back as 1968. Mister Rogers' Neighborhood was a beloved program that celebrated and exalted people, especially children. He taught us that we are neighbors and that everyone has a place. Everyone matters. He had a vision, born of his relationship with God that highlighted every human life's innocence, beauty, and uniqueness. To that end, he called us to be responsible for each other, saying nothing different than what Jesus said. Viewers quickly learned that life is not just about me.

"We live in a world in which we need to share responsibility. It's easy to say, 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond. I consider those people my heroes (Fred Rogers)." It is so easy to look the other way. After all, I'm not the one who needs to leave home out of fear and try to find somewhere safe. I am not the one who is hungry and without shelter or food. I am not the one who has a child being bullied or ridiculed because of the way they dress or act. I am not the one being threatened with violence or unable to find meaningful work. The distress and agony of our neighbors are our distress and agony. We cannot walk by it with an attitude of indifference, especially if we call ourselves believers. When we no longer care, we have suffocated our souls. This is a great sin.

God's law "is something very near to you, already in your mouths and in your hearts; you have only to carry it out." We all have a need for love and acceptance. That's why Mister Rogers' television show was so popular. It spoke to something deeper, something sacred about humanity. God didn't give us his law in a book. He wrote it on our hearts. We know what we need to do. It's a matter of choice. Love is sacred. When we love another human being, especially without regard for ourselves, it is a holy moment. These moments are often missed due to our self-serving agendas and rules.

TRUTH TO INSPIRE: ST. KATERI TEKAKWITHA

St. Kateri Tekakwitha, otherwise known as the "Lily of the Mohawks," became our first Native American Saint after her canonization in 2012. During her life, young Kateri suffered much ridicule due to her counter-cultural decision to remain a virgin out of love for Christ. As we celebrate Kateri's feast day today, enjoy this short audio book that describes Kateri's journey to Our Lord within the context of her native tribe.
