Sacrament Prep Registration

We are so excited to help you prepare for the Sacraments! Below is the information we will need to collect to get started. Certificates of any Sacraments your child has already received should be submitted along with this form.

The Diocese of Portland follows a two-year preparation model which begins around the age of 6. During these two years of formation, the child is taught prayers and begins to learn about the Church and the sacraments, while at the same time, deepening their relationship with Jesus.

Please indicate which church location you regularly attend Mass:

St. Bernard

Our Lady of Good Hope

St. Francis
