Rice Bowl This Year
Global Solidarity During Pandemic- Through Rice Bowl This year our annual Rice Bowl faith formation program will look a little different. To ensure parishioners are able to partici- pate in this important global solidarity program, consider the following ideas: Before Lent • Ensure families have their CRS Rice Bowls. Plan a designated date, time and location for your community to pick up their CRS Rice Bowls, or direct them to crsricebowl.org to print their own DIY Rice Bowl label. • Plan a virtual CRS Rice Bowl kick-off event. Consider hosting a virtual prayer service by adapting the Prayer to Begin the Len- ten Season found in the CRS Rice Bowl Coordinator’s Guide. Decide if it will be a livestreamed or interactive event. For an interactive event: • Invite families to create a prayerful space in their homes using candles, purple cloth, a cross or other reli- gious symbols to use during the event and throughout Lent. • Select readers from different families ahead of time to make the event more participatory • Use the CRS videos to get your com- munity excited about what they will be learning about through- out Lent. Visit crsricebowl.org for options During Lent • Feature the weekly prayer intention and/or Story of Hope in your parish or school’s online bulletin or newsletter and on social media. Diocese of Salt Lake City Page 4 • Re- mind your community that they can access all the CRS Rice Bowl resources online at crsricebowl.org, including the calen- dar, Stories of Hope, worksheets and activities, Stations of the Cross and more. • Promote and invite your community to join CRS Rice Bowl’s virtual events being held throughout Lent. • Invite families to make the weekly meatless meal recipes and share their photos on your parish or school’s social media plat- forms using #CRSRiceBowl. • Live stream the Stations of the Cross. • Ask families to make a video of themselves praying one of the Stations of the Cross. Encourage them to make an altar based on the statin assigned to them and consider incorpo- rating music. Ensure you have all the stations assigned and compile the videos into one video to share with your communi- ty. • Create an online Community Giving page and share it with your community to make giving easy throughout Lent. After Lent • Host a virtual prayer service to end Lent and CRS Rice Bowl using the Offertory Prayer to End the Lenten Season found in the CRS Rice Bowl Coordinator’s Guide. Remind your community of the ways they can give their CRS Rice Bowl gifts. • If you have an online Community Giving page, invite families to make their donations during the prayer ser- vice, and watch your community get closer to reaching its goal! • Schedule a designated date, time and location for your community to turn in their CRS Rice Bowl donations if they do not want to give online or via mail.
