THE NINE MONTHS OF THE CHILD JESUS IN THE WOMB OF MARY

THE FIRST MONTH – MARCH 25 TO APRIL 25

“Hail Mary, Full of Grace, the Lord is with thee...” With her acceptance of God’s will, Mary’s body prepares to carry Jesus in her womb. During this first month of pregnancy, the baby’s heart is beating, and by the 20th day, the brain, spinal cord and nervous system are developed. He has arms, legs, eyes, ears, kidneys, a liver, a mouth and an umbilical cord. A placenta forms as a barrier to keep his mother’s blood separate, while allowing nourishment and oxygen to pass through. The awesome news that a mother is with child can be greeted with great joy or dread-filled sorrow. Each year in the U.S. some 1.6 million mothers and fathers choose to still those beating hearts and reject those budding lives.

Pray for all mothers and fathers that they may choose life for their unborn children.
