## THE NINE MONTHS OF THE CHILD JESUS IN THE WOMB OF MARY

**THE SIXTH MONTH – AUGUST 25 TO SEPTEMBER 25**

Mary now feels the quickening of the Child Jesus that proclaims his presence within her womb. She sings to him and feels his response. At six months, a special covering (vernix) forms to protect the baby's skin from the fetal waters. The baby's eyes, closed since the seventh week, are now open to its surroundings. The infant is now 12 inches long and weighs 1 1/2 pounds. This baby could survive birth. Despite the fact that a child of six months has a chance at life, women may legally abort their unborn at any time throughout the nine months of their pregnancy.

**Pray for all physicians, midwives and nurses that they may recognize the sanctity of life and God as the author of life**

## FRIDAY, SEPTEMBER 10TH AT 7PM

*Spend time with Jesus Christ in the Holy Sacrament on the altar and pray the Rosary for Life for an end to abortion*

Join the Respect Life Ministry for a brief meeting at 6:15 in the Narthex. **Newcomers are always welcome!**
