

A painting of a path through a forest with autumn foliage. The path is covered in fallen leaves and leads into the distance. The trees are tall and their leaves are in shades of yellow, orange, and brown. The overall mood is peaceful and contemplative.

Dear Brothers and Sisters in Christ,

We, the Catholic bishops of Illinois, write with a sense of urgency. Unless the General Assembly acts to renew the Invest in Kids scholarship program, more than 9,000 children currently relying on this program to attend a non-public school may have their educational path disrupted. Without an extension of the program in Illinois law now, no scholarships will be awarded for the school year that will begin in September 2024. Most of these children will have to leave the school their families determined was their best chance to receive a high-quality education in a safe and wholesome learning environment. This is an injustice that should and can be avoided, but only if the General Assembly acts when it reconvenes on October 24, 2023.

Invest in Kids has proven to be a beacon of hope for thousands of Illinois students and their families. Children receiving Invest in Kids scholarships come from lower-income families who could not otherwise afford tuition at the Catholic or another non-public school that is the best fit for their child. Childhood is a limited time in the life of a human being and primary and secondary education is not something that can be put off to some future date when it is convenient for adults. This is our one chance to offer these Illinois children a good start. Please help keep education options available and a brighter future possible by contacting your state senator and state representative and telling them to continue the Invest in Kids Program.

Since its inception six years ago, Invest in Kids has generated overwhelmingly positive results. Nearly 40,000 scholarships have been awarded to students attending non-public schools across Illinois. Demand for scholarships is very high - for every scholarship granted, three students are turned down due to lack of funds. Contrary to what you may have heard, this is not a voucher program, nor does it take state funds away from the public schools. These scholarships are funded through contributions from donors who receive a tax credit for their donation on their Illinois state income tax.

**What can you do to help?** Please contact your state senator and state representative to let them know of your support for extending the Invest in Kids tax credit scholarship program in Illinois. We also encourage you to urge your fellow parishioners to do the same. Our collective voice is vital to the continued help for Illinois families. Please visit the Catholic Conference of Illinois website at [www.ircatholic.org](http://www.ircatholic.org) or call the Springfield office at (217) 528-9200 for further information on how to locate your elected officials, request sample wording for a message to your legislator, or for information about how to donate to this program.

## **2023-2024 Fundraising Campaign**

**Project: Operating Room / Surgical Ward and Related Equipment;  
Apartment for Medical Missions; and Chapel**

**Goal: \$275,000 (\$193,000 Raised To-Date)**

Dear Holy Family Parishioners,

Praise the Lord for He is so very generous!

We are very grateful for the wonderful response to our campaign to raise funds in support of Fr. Nestor Mtwewe's mission to provide essential rehabilitation services to the children, women, and men with disabilities in Tanzania. **For our 2023-2024 fundraising campaign to date, we have raised \$193,000 in support of his efforts; the recent Holy Family parish campaign contributed over \$54,000 to this amount! As a result, we have been able to start the project to build the operating room and surgical ward.**

We were blessed to have Fr. Nestor spend several weeks in the Diocese of Joliet. During this time, he presided at Holy Masses, met with Bishop Hicks, participated in ministry meetings, talked with school children, and held "Meet and Greet" events to educate parishioners at four parishes on his important ministry work in Tanzania. He also was able to attend medical conferences in Arizona and Chicago to lay the groundwork for future medical missions to the INUKA Rehabilitation Hospital in Tanzania.

As he was returning to Tanzania, Fr. Nestor reflected on his visit and wrote the following note:

*My assignment of helping children and people with disabilities has and will continue to be challenging. I appreciate you so much for stepping up and helping me solve these challenges with one intention of healing bodies in order to save souls. The late bishop Alfred Maluma had asked to never send a child back home because they have no money. Your generosity has helped me prepare an infrastructure and keep the children at the hospital even those who have nothing to give. Thank you once again for helping me and the Roman Catholic Diocese of Njombe in our responsibilities of bringing hope, love and dignity to the people with disabilities through support to Inuka Rehabilitation hospital. Thank you and God bless, Fr. Nestor.*

In conclusion, thank you for your generosity in supporting Hope for Tanzania and its 2023-2024 projects. You can reach us at [HopeforTanzania21@gmail.com](mailto:HopeforTanzania21@gmail.com) if you have any questions or comments, or visit our website at <https://hopefortanzania.com>. Please consider us in your plans for 2023 end of year giving as we work to obtain the funds needed to complete our project goals!

In the Peace of Christ,

Hope for Tanzania Board of Directors: Fr. Brad Baker; Dan Dock; Ed Graham; Kelly Heffron; Steve Obendorf; Dr. Ken Sanders; Bob Schuhriemen
