Gifting Stocks & Securities

Gift of Stocks

Contributions made to the Church, including gifts of publicly-traded securities, qualify for a charitable contribution deduction under Section 170 of the Internal Revenue Service Code. The Church is a tax-exempt organization described in Section 501 (C) (3). Its federal taxpayer identification number is 35-1508839.

For federal income tax purposes, fair market value of the gift is deductible assuming you itemize your deductions for the year in which ownership in the security is transferred to St. Elizabeth Seton Catholic Church.

Prudent tax planning indicates that securities, in which current fair market value is less than your cost basis, be sold by you in order for you to claim the loss for possible tax benefits. The net proceeds from such a loss sale would be available for a charitable contribution to St. Elizabeth Seton.

Special Opportunity for Tax Savings

If takeover of a company in which you hold appreciated stock is imminent, consider giving the stock to the Church instead of tendering it. You may avoid the tax on the appreciation and receive a charitable deduction instead. St. Elizabeth Seton will incur no tax when it tenders the shares.

Stock Delivery

The preferred method of delivery of a gift of stock is through your stockbroker. Instruct your broker to contribute your stock ownership to St. Elizabeth Seton Catholic Church, federal taxpayer identification number 35-1508839.

Your broker may contact Fidelity Investments at 1-800-544-6666 to arrange for a wire transfer of your contributed stock into the St. Elizabeth Seton account. Please give your stockbroker the following information:

Complete and provide the form to the right to the Seton Business Office. This will assist in making sure your gift is accurately reflected on your parish contribution record.

NOTE: Upon receipt of your stock gift, St. Elizabeth Seton will issue a detailed confirmation letter to you. Per IRS guidelines, the value of the stock gift is the high/low average on the date of transfer. Mutual fund transfers typically take longer to execute. You should call your mutual fund company to order the proper forms required in order to make a gift.
