From the Pastor's Desk

The first reading explains how his trusting faith in God's mercy and power and his blind obedience to his God's order to sacrifice his only son in his old age, transformed the life of Abraham, making him the supreme model of Faith.

In the second reading God showed His love for us by allowing the transformation of the glorious preaching and healing ministry of His Son to a tragic end, proving that God's love has no limits.

In the Transfiguration story in today's Gospel, Jesus is revealed in His Heavenly glory, superior to Moses and Elijah.

The primary purpose of Jesus' Transfiguration was to allow him to consult His Heavenly Father and ascertain His plan for His Son's suffering, death and Resurrection.

God's secondary aim was to make

Jesus' chosen disciples aware of Jesus' Divine glory, so that they might discard their worldly ambitions and dreams of a conquering political Messiah and might be strengthened in their time of trial.

A third aim was to give Jesus the conviction that He will be the Son of God his loving Father even during His suffering and death.

Finally, by describing the theophany of Jesus' Transfiguration, the Gospel gives us a glimpse of the Heavenly glory awaiting those who do God's will by putting their trusting Faith in Him.

La primera lectura explica cómo su fe confiada en la misericordia y el poder de Dios y su obediencia ciega a la orden de Su Dios de sacrificar a su único hijo de su vejez, transformó la vida de Abraham, convirtiéndolo en el modelo supremo de la Fe.

En segunda lectura Dios mostró Su amor por nosotros al permitir la transformación de la gloriosa predicación y sanación del Ministerio de Su Hijo con un final trágico, demostrando que el amor de Dios no tiene límites.

En la historia de la Transfiguración en el Evangelio de hoy, Jesús se revela en Su gloria celestial, superior a Moisés y Elías.

El propósito principal de la Transfiguración de Jesús era permitirle consultar a su Padre Celestial y determinar Su plan para el sufrimiento, la muerte y la resurrección de Su Hijo.

El objetivo secundario de Dios era hacer que los discípulos escogidos de Jesús dieran a conocer la gloria divina de Jesús, para que puedan descartar sus ambiciones mundanas y sueños de un Mesías político conquistador y podría fortalecerse en su tiempo de prueba.

El tercer objetivo era darle a Jesús la convicción que será Hijo de Dios Padre amoroso incluso durante sufrimiento y muerte. Por último, describir la teofanía de la Transfiguración de Jesús, el Evangelio nos da una visión de la gloria celestial que espera a los que hacen voluntad de Dios al poner fe confiada en El.

Yours in Christ,

Fr. Bala
