From The Pastor's Desk

We are mostly familiar with John the Baptist from the readings during Advent, as John was the prophet who immediately preceded Jesus and foretold his coming. His birthday is June 24th, which usually falls on a weekday. It is considered an important feast, so important in fact that when it falls on Sunday, it takes precedence over the Sunday readings.

I'd like to share with you one of Aesop's most famous fables: *the Ant and the Grasshopper*. I think it's appropriate for today's feast.

In the field one summer's day, a Grasshopper was hopping about, chirping and singing to its heart's content. An Ant passed by, bearing along with great toil a kernel of corn he was taking it to the nest. *"Why not come and chat with me,"* said the Grasshopper, *"instead of toiling and mowing in that way?"* *"I am helping to lay up food for the winter,"* said the Ant, *"and recommend you do the same."* *"Why bother about winter?"* said the Grasshopper; *"we have got plenty of food at present."* But the Ant went on its way and continued its toil. When the winter came, the Grasshopper had no food and found itself dying of hunger, while the grasshopper saw the ants distributing every day, corn and grain from the stores they had collected in the summer. Then the Grasshopper knew: *"It is best to prepare for the days of necessity."*

Practical! Down to earth wisdom from 2500 years ago! It's still true. If we do not learn this lesson when life is good, we'll regretfully learn it when it's too late. This goes for education, investing, health, faith and all kind of important areas of life. John the Baptist's role in life was to insist on the need to prepare. He called people to repent and prepare for the coming of God's kingdom. His message is as important today as it ever was.

Jesus, too, like John the Baptist called us to repentance and conversion of heart. I think the most important lesson we can learn from this feast of St. John the Baptist is to prepare. The fact you are here today is one good sign that you understand the need to prepare. Forget not what our Lord Jesus gently warned us, *"The door to heaven is narrow. Work hard to get in, because many will try to enter and will not be able."*

Fr. Joe

CHILDREN'S FAITH FORMATION

We had a week full of some great dining with a menu that included generous portions of God's Word and plates piled high with activities that met all the minimum requirements to build strong hearts and minds!

But with it being VBS week, it also means we were super, super busy (and also under the weather) so watch next week's bulletin for VBS updates and pictures of all the One Way Café fun!

General Registration for the 2018/19 Faith Formation continues through the month of June. You can pick up registration paperwork during the normal work week, **Monday-Thursday between 10 a.m. and 4 p.m. (NO FRIDAYS; it's our clean-up day!)**. You can contact Deborah, Devyn, Lindee or Lisa with any questions regarding Children's Faith Formation, Youth Ministry, First Communion and/or Confirmation preparation or RCIA.

FAITH FORMATION CATECHISTS & TEEN AIDES: A majority of you have already been kind enough to let me know if you're coming back next year or not....**THANK YOU!** But I'm still waiting on a handful of you to respond; yes or no is fine, but I do need to hear back from you. **If I haven't heard from you by July 1,** I will assume you are NOT returning and look at filling the vacancy. **This includes teen aides, as well, especially since I already have a waiting list.** **Catechist training will begin in mid-August so watch for more information in late July. We've changed things up this year, so be sure to keep an eye out for more information.** And if you're interested in joining our Children's Catechetical Team, contact Deborah! We have a few spots to fill this year, and some are teaching spots (Kindergarten at 9 a.m. and 1st Grade at 11 a.m.), so find out how you can serve in this vital parish ministry.
