### **AN APPROACHABLE GOD**

Many years ago, there was a very popular Christian poster that did nothing but list names for God from the scriptures. While it included powerful names like "Lion of Judah" and "Wonderful Counselor," as a whole it was a sharp contrast to the simple and beautiful images present in our scriptures today. The prophet Zechariah prefigures the Christ coming in meekly and mildly on an ass – the vision we might have of Palm Sunday. In Romans Saint Paul reveals to us our truer selves, calling us to embrace the Spirit of Christ, put aside our fleshly beings, and live more fully in Christ. In the Gospel of Matthew, Jesus bypasses the learned, and God reveals things to the childlike. We are presented with a simple, straightforward approach to God, and to finding God
