LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Our hearts are fertile ground for the Word of God, but we must be careful gardeners. Be conscious of what damages and depletes the soil of your heart. Pay attention to what nourishes it, so that the goodness of the Word can bloom forth into the world.

VIVIR LA LITURGIA - INSPIRACIÓN DE LA SEMANA (Live the Liturgy)

Nuestros corazones son terreno fértil para la Palabra de Dios, pero debemos ser jardineros cuidadosos. Sé consciente de lo que daña y agota la tierra de tu corazón. Presta atención a lo que la nutre, para que la bondad de la Palabra pueda florecer en el mundo.

A REFLECTION FROM THE PASTOR

An Abundant Harvest

Dear St. John Eudes Parish Family,

Happy Summer, everyone! ☀️ I hope these sun-drenched days are treating you to plenty of rest, family adventures, backyard laughter, and those little moments that fill the heart with joy. What a weekend we had celebrating our nation's 250th anniversary—fireworks, good company, and grateful hearts all around!

This weekend's readings for the 15th Sunday in Ordinary Time are pure gift. In the Gospel (Matthew 13), Jesus tells the unforgettable Parable of the Sower. Seeds fall on different soils—some snatched away, some scorched, some choked by thorns—but the seed that lands on rich soil produces an abundant harvest: thirty, sixty, even a hundredfold! Isaiah reminds us that God's word is like life-giving rain; it accomplishes its purpose. And Romans speaks of creation itself groaning in hope for the glorious freedom of God's children. These scriptures invite us to prepare the soil of our hearts so God's word can take deep root and bear fruit in our lives.

Over the weekend, the tennis world cheered a remarkable young Filipina athlete, Alex Eala. This underdog kept surprising everyone at Wimbledon, advancing past champions with grit and grace. When asked about inspiring others, she shared something beautiful: "I try to be as authentic as I can... This platform has really allowed me to become the best version of myself... I want them to look at me and say, 'Wow, I want to be the first me. I want to make my own path.'" What wisdom! In a world full of distractions that try to divide us or stunt our growth, staying rooted in Christ helps us discover our true identity and flourish.

We're overjoyed to welcome Ms. Veronica Macias as our new Principal for the 2026-27 school year! With twelve years of faithful Catholic school leadership and a heart for Christ and His Church, she's already bringing energy and vision as we begin to celebrate our school's 60th anniversary. Her message echoes Alex's: be genuine, stay rooted, and grow into the unique person God created you to be.

Vacation Bible School is in full swing with over 100 joyful campers, and Summer Sports Camp launches soon under Coach David Davido—plenty of fun still ahead! As we soak in Sabbath rest, may we let the Sower's word fall deeply into our hearts so we yield a rich harvest for the Kingdom.

See you in Church—let's keep growing together!

With warmest regards and priestly blessings,

Father Ethan

Una Cosecha Abundante

Querida familia parroquial de San Juan Eudes:

¡Feliz verano a todos! ☀️ Espero que estos días llenos de sol les estén regalando mucho descanso, momentos inolvidables en familia, risas en el patio y esos pequeños instantes que llenan el corazón de alegría. ¡Qué gran fin de semana vivimos celebrando el 250.º aniversario de nuestra nación! Hubo fuegos artificiales, buena compañía y corazones agradecidos por todas partes.

Las lecturas de este XV Domingo del Tiempo Ordinario son un verdadero regalo. En el Evangelio (Mateo 13), Jesús nos presenta la inolvidable Parábola del Sembrador. La semilla cae en distintos tipos de tierra: una parte es arrebatada, otra se seca por el sol, otra es ahogada por los espinos; pero la que cae en tierra buena da una cosecha abundante: ¡treinta, sesenta y hasta cien veces más! Isaías nos recuerda que la Palabra de Dios es como la lluvia que da vida; siempre cumple su propósito. Y la carta a los Romanos nos habla de toda la creación, que espera con esperanza la gloriosa libertad de los hijos de Dios. Estas lecturas nos invitan a preparar la tierra de nuestro corazón para que la Palabra de Dios eche raíces profundas y dé fruto abundante en nuestra vida.

Durante el fin de semana, el mundo del tenis celebró a una extraordinaria joven atleta filipina, Alex Eala. Esta competidora, considerada por muchos como la menos favorita, siguió sorprendiendo a todos en Wimbledon, avanzando con determinación y humildad frente a grandes campeonas. Cuando le preguntaron sobre inspirar a los demás, compartió unas palabras muy hermosas: "Trato de ser lo más auténtica posible... Esta plataforma realmente me ha permitido convertirme en la mejor versión de mí misma... Quiero que me vean y digan: '¡Qué padre! Yo quiero ser la primera versión de mí mismo. Quiero abrir mi propio camino.'" ¡Qué gran enseñanza! En un mundo lleno de distracciones que buscan dividarnos o impedir nuestro crecimiento, permanecer firmemente arraigados en Cristo nos ayuda a descubrir nuestra verdadera identidad y a florecer plenamente.

¡Nos llena de alegría dar la bienvenida a la Sra. Veronica Macias como la nueva directora de nuestra escuela para el ciclo escolar 2026-2027! Con doce años de fiel liderazgo en la educación católica y un corazón entregado a Cristo y a Su Iglesia, ya está aportando entusiasmo y una visión renovada mientras comenzamos a celebrar el 60.º aniversario de nuestra escuela. Su mensaje hace eco del de Alex: sean auténticos, manténganse firmemente arraigados y crezcan hasta convertirse en la persona única que Dios los creó para ser.

¡La Escuela Bíblica de Verano ya está en marcha con más de 100 niños disfrutando con entusiasmo, y muy pronto dará inicio nuestro Campamento Deportivo de Verano bajo la dirección del entrenador David Davido! Todavía nos esperan muchos momentos de diversión y aprendizaje. Mientras disfrutamos del descanso sabático, permitamos que la Palabra del Sembrador caiga profundamente en nuestro corazón para que podamos dar una cosecha abundante para el Reino de Dios.

¡Nos vemos en la iglesia! ¡Sigamos creciendo juntos!

Con mi más sincero afecto y bendición sacerdotal,
Padre Ethan

"Together, as one people, as brothers and sisters, let us walk towards God and love one another."—Pope Leo XIV, Homily at Mass for the Beginning of the Pontificate of Pope Leo XIV, May 18, 2025

How You Can Help

PRAY

Pray for the Holy Father, for those he serves in compassion, and for the ongoing activities of the Holy See, all of which benefit from the Peter's Pence Collection.

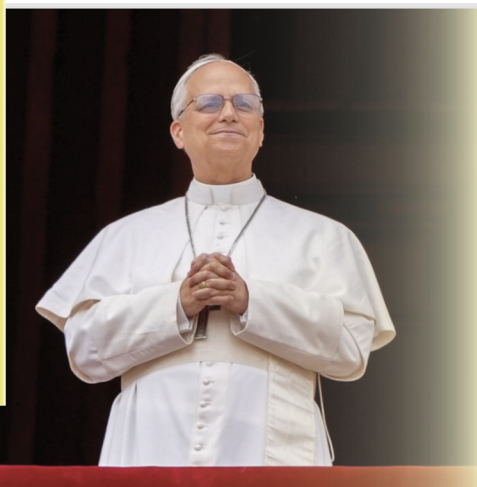

SHARE

Share this bulletin insert with anyone who might be interested.

GIVE

Give generously to this collection as a sign of hope to those who suffer around the globe and as a demonstration of your support for the ongoing work of the Holy See. By doing so, you help build up the Church so that it can provide hope and minister to all for generations to come.

From his first appearance after his election in May 2025, Pope Leo XIV has called upon Catholics to live in peace and unity with one another within the Church and to share this invitation to peace and unity with the whole world. Throughout history, Catholics have shared Christ's mission with the world by proclaiming the Gospel and performing works of mercy that bring comfort to the poor and vulnerable. For centuries, Catholics have joined in these works by supporting the Peter's Pence Collection, which helps to fund the Holy Father's mission to proclaim Christ's message in the world. Our gifts to the collection are "concrete signs of hope" that fulfill the two aims of Peter's Pence: "1) To support the Holy Father's mission, which extends throughout the entire world, from the proclamation of the Gospel to the promotion of integral human development, education, peace, and brotherhood among peoples: thanks also to the many activities of service carried out by the dicasteries, bodies and organs of the Holy See that assist him every day; and 2) To support the numerous charitable works in aid of people and families in difficulty, populations afflicted by natural disasters and wars, or who are in need of humanitarian assistance or support for development."

COMMUNITY LIFE

O Most Sacred Heart of Jesus:
You know the longings of our hearts, and you desire that we enjoy
friendship with you.
From your pierced side, you have poured out the wellspring of life, for
which we thirst.
Your heart burns with a love for all people to return to a right
relationship with you.

We celebrate the abundant gifts you have given this nation, founded
on the self-evident truths that our Creator has endowed all people with
the right to life, liberty, and the pursuit of happiness.
We make reparation for the offenses against you and against human
dignity that have taken place in this nation. May our hearts be united
to yours, so that our families and communities enjoy peace and
happiness; may broken relationships be reconciled, injustices repaired,
and the wounds of our land be healed.
May your holy Catholic Church serve as a sign, pointing all people to
your infinite love. O Desire of Nations and Center of History, we ask you
to bless these United States of America. Who live and reign with God
the Father in the unity of the Holy Spirit, God, for ever and ever. Amen.

Most Sacred Heart of Jesus, have mercy on us!
Immaculate Heart of Mary, pray for us!

What is Generative Artificial Intelligence?

Generative Artificial Intelligence is technology that allows a user to create new or alter existing images, videos, or text, based on user prompts or requests. It can be misused to create AI-generated child sexual abuse material, including sexually explicit or exploitative images that depict real children. According to the National Center for Missing and Exploited Children, this technology is being used to exploit children, particularly in the creation of GAI Child Sexual Abuse Material, often generated from images that have already been posted or shared online. In many cases, the offenders were people who knew the child victims well. For more information, visit
<https://www.missingkids.org/theissues/generative-ai>.

¿Qué es la Inteligencia Artificial Generativa?

La Inteligencia Artificial Generativa (IAG) es una tecnología que permite al usuario crear o modificar imágenes, videos o textos nuevos, a partir de indicaciones o peticiones del usuario. Se puede utilizar indebidamente para crear material de abuso sexual infantil generado por IA, incluidas imágenes sexualmente explícitas o de explotación en las que aparecen niños reales. Según el Centro Nacional para Niños Desaparecidos y Explotados, esta tecnología se está utilizando para explotar a los niños, especialmente en la creación de material de abuso sexual infantil generado por IAG, que son creadas a partir de imágenes que ya se han publicado o compartido en el Internet.
