The Most Holy Body and Blood of Christ
St Brigid & St Patrick
June 22, 2025
It’s Time to March!

Faith in Christ's *Real Presence* in the Blessed Sacrament is indispensable for the conversion of the modern world.

We don't begin to begin to understand how desperately faith in the *Real Presence* must be restored unless and until we realize how widely and deeply one once Christian nation after another has become de-Christianized. the world today is in a large measure a God-less and Christ-less world. St. Pope John Paul II said, "*In many parts particularly among the young the Christian faith is almost unknown.*" Why, because of the widespread dissemination of atheism. Why because the process of secularization has gone so far that evangelization has to be begun all over again in nations that were once professedly Christian and even Catholic.

There is no way, no way, that secularized nations like our own can be re-Christianized by merely natural means, and the reason is obvious. Because the work of the evil spirit has been so phenomenally successful. We are dealing, as St. Paul tells us, with powers beyond those of human nature. But we'd better see clearly what's going on and be convinced that natural means cannot, and the verb is cannot, convert countries like ours back to Christ.

No one but Jesus Christ can convert this godless world. Faith in Jesus Christ alive on earth today with us, among us. In other words, we Catholics are the hope of the world. That we have the faith, faith in what? Faith in Jesus Christ. To be more clear, faith in Jesus Christ on earth. To be still more clear, faith in Jesus Christ on earth in the Holy Eucharist.

Christ the miracle worker on earth: He calmed the storm at sea. He cured the lame, the blind. He raised the dead back to life, but and this is the principal message: Christ wants to continue working miracles. But, we must exercise our faith, faith in Jesus Christ present on earth today. We who believe in Christ's abiding presence in the Holy Eucharist are to become apostles of the *Real Presence* to our generation. To work miracles is available in our day on one condition: that we come to Him in the Eucharist and confidently beg him to give us (as individuals, as families, as a nation) the graces that we so desperately need. Where Eucharistic Adoration is practiced and promoted, the results are phenomenal. But, we must believe! *Lord Jesus, our world desperately needs to recover and rediscover the faith that millions have lost. Help us, dear Jesus, to become apostles of faith in your Real Presence in the Blessed Sacrament so that the most sin-laden century in human history may be the vigil for the most glorious century in Christianity. We believe, Lord Jesus, we believe, help our unbelief. Amen. Mary: Mother of the Holy Eucharist, Pray for us.*

The Corpus Christi Procession: The Time is Now!

Jesus communicates His grace to the world through His Sacred Humanity. He is giving us a unique opportunity on Sunday, June 22nd to be a witness for Him to the world. In this **historic Eucharistic Procession**, we are honored to glorify Our King. But, He will not be outdone in generosity. He will bless us and our families, our community and our world more than we could hope for or imagine.

“*Whoever acknowledges Me before men, I will acknowledge before My Father in Heaven.*” (Matthew 10:32)

It all starts at **1:00 pm** at Icelandic State Park, on the south side of the street at St Anthony Catholic Church on the Pembina County Historical Museum grounds!
