Well done, my good and faithful servant. Since you were faithful in small matters, I will give you great responsibilities. Come, share your master's joy. – Matthew 25:21

Te felicito, siervo bueno y fiel. Puesto que has side fiel en cosas de poco valor te confiaré cosas de mucho valor. Entra a tomar parte en la alegría de tu señor.

Gospel Reflection

Illuminate The World With The Light of The Gospels

The letters of Paul to the Thessalonians are among his earliest writings, and are driven by his belief and the belief of the entire early Christian community that the return of Christ was imminent, and that devoting time or attention to anything else was foolish.

As time progressed, this fervor subsided a bit. Today we may wonder, when we hear these readings about the coming end-times, if we should take them to heart, if we really believe that Christ still may come upon us as a "thief at night" (1 Thessalonians 5:2). Does this mean that we are to stop our long-range goal-setting, get rid of our yearly calendars and planners, or stop putting money in the college education fund? Of course not. What it does mean is that we need to change our lives, living like children of the light and illuminating the world around us with the light of the gospel. Then, on that day, when the details of our daily living become unimportant, we will be ready to find our peace and security in Christ Jesus.

Reflexión evangélica

Ilumina al Mundo con la Luz de los Evangelios

Las cartas de Pablo a los tesalonicenses están entre sus primeros escritos movidos por su creencia, y la creencia de la comunidad de la Iglesia joven, de que el retorno de Cristo era inminente, y que dedicar tiempo y atención a otras cosas era tontería.

Con el paso del tiempo este fervor disminuyó un poco. Hoy, cuando escuchamos sobre la llegada del fin de los tiempos, podemos preguntarnos si la tenemos que tomar en serio, si es que realmente creemos que Cristo todavía puede venir por nosotros como "un ladrón en la noche" (1 Tesalonicenses 5:2). ¿Significa esto que debemos ponerle un paro a establecer metas a largo plazo, despojarnos de nuestros calendarios y agendas anuales, dejar de ahorrar para una educación universitaria? Por supuesto que no. Lo que significa es que necesitamos cambiar nuestra vida, vivir como hijos de las luz e ir iluminando el mundo que nos rodea con la luz del Evangelio. Entonces, en aquél día, cuando los detalles de nuestra vida diaria se tornen poco importantes, estaremos listos para encontrar nuestra paz y seguridad en Cristo Jesús.

Ministry Spotlight: Fundraising

Serving Up Love

They say a way to a man's heart is through his stomach. It's also the way into the heart of a parish!

Our Fundraising Committee rejuvenated the parish's fundraising efforts in early 2019 to help raise money for the parish's operating fund. In dedicating themselves to serving up delicious homemade specialties, they also increased camaraderie and brought joy to many people.

Their monthly events featured tamales, pozole, burritos, tacos, birria and a bevy of delicious food options at last year's OLS Feast Day Kermes!

When asked why she serves in this ministry, Lupe Sierra (who is coordinating the November 21-22 Pozole Sale) shared, **"I love to cook. It is my passion and my way of keeping busy with positive thoughts and energy. I cook for the church because I'm very thankful to have God, Fr. Cesar and the parish in my life."**

Lupe's husband, Rafael Sierra, is a big part of the fundraisers they plan, cook and serve up. They are an amazing team!

The parish thanks the entire committee for making each fundraiser unique:

Dn Jose Antonio and Maria Trujillo
Dn Jose and Maria Ramirez
David and Lupe Avila
Magdalena Torres
Maricela Juarez
Marino and Delfina Carachure

And thank you to our parishioners who made it possible to buy a new triple-wide freezer (two freezers and one fridge).

Get ready for more delicious fundraisers!

Ministerio Destacado: Recaudación de Fondo

Sirviendo Amor

Dicen que uno llega al corazón del hombre a través de su estómago. ¡También es el camino al corazón de una parroquia!

Nuestro comité de recaudación de fondos rejuveneció los esfuerzos de recaudación de fondos al comienzo del 2019 para ayudar a recaudar dinero para el fondo de operación de la parroquia. Al dedicarse a servir deliciosas especialidades caseras, han aumentado la camaradería y alegraron a mucha gente.

Sus eventos mensuales han traído tamales, pozole, burritos, tacos, birria, y un grupo de opciones de comida deliciosa en el kermes de la Festividad de Nuestra Señora de Dolores el año pasado.

Cuando se le pregunto por que sirve en este ministerio, Lupe Sierra (quien es coordinadora de la venta de pozole de 21-22 de noviembre) compartió, ***"Amo cocinar. Es mi pasión y mi manera de mantenerme ocupada con pensamientos y energía positiva. Cocino para la iglesia porque estoy muy agradecida de tener a Dios, al Padre Cesar y a la parroquia en mi vida."***

El esposo de Lupe, Rafael Sierra, es una gran parte de las recaudaciones de fondos que planean, que cocinan, y que sirven. ¡Son un equipo maravilloso!

La parroquia agradece al comité entero que hacen cada evento de recaudación de fondos único:

Diacono Jose Antonio and Maria Trujillo
Diacono Jose and Maria Ramirez
David and Lupe Avila
Magdalena Torres
Maricela Juárez
Marino and Delfina Carachure

Gracias también a los feligreses que hicieron posible la compra de un congelador de triple ancho *(does congeladores y un regrigerador).*

¡Alístense para más recaudaciones de fondos deliciosos!

Unique Learning at Notre Dame School

The Notre Dame School is exploring the many ways our outdoor classrooms have allowed us to foster a unique learning environment for our students!

We are able to allow students the freedom to explore nature, develop their sense of wonder and awe and engage more deeply in academic pursuit by challenging them to focus even when cars are going by or drumming class is happening during a lesson!

After implementing the multi-age classes this year, the students are developing more leadership skills and a broader perspective on learning.

Through the 1-1 iPad program for students and developing faculty in their integration of technology in the classroom, students are learning 21st century skills that will set them up to have more facility with learning tools as they advance through schooling. Plus, the fresh air is keeping everyone sharp!

We are so blessed to have the opportunity to be learning in person while also meeting the needs of those who remain virtual at home.

Please continue to keep us in your prayers that the weather allows us to stay outside and that our students continue to thrive this year.

"In the painting, red represents the Holy Spirit and love and strawberries are sweet, just like Jesus." – *Overheard, 3rd and 4th grade Seminar*

"En la pintura, el rojo representa al Espíritu Santo y el amor y las fresas son dulces, como Jesús". – Escuchado por casualidad, seminario de 3er y 4to grado

"The kindergarteners asked me to keep some of the long grass, and now it seems like a lot of the older kids love to go sit there when they have independent reading time." – Coach Sean

"Los niños del jardín de infantes me pidieron que me quedara un poco de césped largo, y ahora parece que a muchos de los niños mayores les encanta sentarse allí cuando tienen tiempo de lectura independiente". – Entrenador Sean

"I love being able to offer formal and drop in classes for drumming. The students choose to spend their lunch time practicing their sensory perception and timing with rhythm and dance!"
– Budhi Harlow, drumming instructor

*"Me encanta poder ofrecer clases formales y gratuitas de percusión. ¡Los estudiantes eligen pasar la hora del almuerzo practicando su percepción sensorial y el tiempo con ritmo y baile!"
– Budhi Harlow, instructor de batería*

Aprendizaje único en la escuela de Notre Dame

La Escuela Notre Dame está explorando las muchas formas en que nuestras aulas al aire libre nos han permitido fomentar un entorno de aprendizaje único para nuestros estudiantes.

¡Podemos permitir a los estudiantes la libertad de explorar la naturaleza, desarrollar su sentido de asombro y asombro, y participar más profundamente en la búsqueda académica al desafiarlos a concentrarse incluso cuando pasan autos o hay clases de tambores durante una lección!

Después de implementar las clases de edades múltiples este año, los estudiantes están desarrollando más habilidades de liderazgo y una perspectiva más amplia del aprendizaje.

A través del programa de iPad 1-1 para estudiantes y profesores en desarrollo en su integración de tecnología en el aula, los estudiantes están aprendiendo habilidades del siglo XXI que los prepararán para tener más facilidad con las herramientas de aprendizaje a medida que avanzan en la escuela. Además, ¡el aire fresco mantiene a todos alerta!

Estamos muy bendecidos de tener la oportunidad de aprender en persona y al mismo tiempo satisfacer las necesidades de aquellos que permanecen virtuales en casa.

Por favor continúen manteniéndonos en sus oraciones para que el clima nos permita quedarnos afuera y que nuestros estudiantes continúen prosperando este año.

"We can say anything about the picture as long as we look at the details and have evidence!" – *Kindergarten Socratic Seminar Motto*

"¡Podemos decir cualquier cosa sobre la imagen siempre que observemos los detalles y tengamos pruebas!" – Lema del seminario socrático de jardín de infantes
