FUNDRAISING / SERVICE HOUR AGREEMENT 2023-2024

The cost to educate a child at St. Lawrence is more than the amount that we charge for tuition per child. In order to keep tuition at a low cost, we offer families the option of fundraising and working service hours to offset this additional cost. Families that do not wish to participate in fundraising, have the option to pay these costs in full on their online tuition management portal. Families have **three mandatory** annual fundraising obligations.

FUNDRAISING FEE SCHEDULE

Number of Children	Mandatory Fall Carnival Raffle Tickets are due 10.27.23	Mandatory Casino Night Tickets are due 4.12.24	Additional Fundraising Requirement Split into two payments: December and May Statements
1	1 Book or \$75	1 Book or \$125	\$500
2	2 Books or \$150	2 Books or \$250	\$600
3	3 Books or \$225	3 Books or \$375	\$700
4	4 Books or \$300	4 Books or \$500	\$800

If you lose a Carnival or a Casino Night ticket booklet you will be charged for it and the lost book will not be replaced. If your tickets are not turned in by their due date, your account will be assessed the full required fee – NO EXCEPTIONS.

For the additional fundraising requirement, families may choose which fundraiser(s) they would like to participate in as long as they meet their total additional fundraising obligation. The Fall Carnival Raffle and Casino Night are mandatory and cannot be substituted with the events below. Families who choose to participate in the additional fundraisers, are offered the following options:

- **Additional Carnival/Casino Night Tickets:** You have the option of selling more than your required amount of ticket books for both the Fall Carnival and Casino Night. Each additional booklet sold, beyond your requirement, can be applied towards your additional fundraising requirement.
- **50/50 on-going raffle:** Each Monday, we hold a 50/50 raffle drawing. You can participate in the raffle as many weeks as you would like. Each ticket is \$1 and you can purchase up to 20 tickets per week. Each purchase will be applied towards your additional fundraising requirement.
- **Annual Jog-A-Thon:** Each student may collect enough funds in jog-a-thon pledges to meet the families additional fundraising requirement. Any funds collected beyond your requirement will be allocated to the school's donation fund.
- **Other fundraising opportunities may arise throughout the school year.**

The Additional Fundraising Requirement is split into two payments. Please be sure to participate all year around so that you are not charged for remaining amounts that are owed. Those that have not satisfied their Additional Fundraising Requirement by December 31st and May 31st, will be billed any remaining amounts on their December and May billing statements.

All three fundraising requirements must be met (you can choose to buy-out these requirements), before a student can participate in the 8th grade graduation and kindergarten promotion.

Service hours are counted from June 12, 2023 to May 24, 2024

- The first half of service must be completed, or paid for, by December 31, 2023
- The second half of service must be completed, or paid for, by May 24, 2024
- 10 additional hours per child at \$10.00 per hour = \$100 per child per year

It is your responsibility to call to find out when we have service hour opportunities. To do service hours during school hours you must be fingerprinted and be VIRTUS certified. This must be on file with the front office or you will not be able complete service hours during school hours. Chaperoning does not count towards service hours. PERMISSION TO WALK TO AND FROM SCHOOL 2023-2024

The School recommends that all students ride with their parents to and from school. However, we understand that some parents wish to allow their child/children to walk to school and/or walk home after school. Students in TK ARE NOT ALLOWED to walk home with person unless it is with a listed parent or legal guardian, or an adult who is listed as the emergency contact. Please understand there are no crosswalks or crossing guards available for students.

Walking to and from school is a large responsibility. Authorized students must follow the rules of both the school and the rules as a pedestrian. Students who have been authorized to walk home may start walking as soon as the bell rings at 2:40 p.m. Students are never to walk on the road. Students are to walk on the sidewalk at all times and use assigned pedestrian crosswalks. Jaywalking is strictly prohibited. Students may only cross the road at intersections. There are no crosswalks or crossing guards to assist with crossing intersections. Special care should be taken to look both ways several times before crossing. Remember that just because you can see a vehicle does not guarantee that the driver of that vehicle can see you. Any irresponsible behavior exhibited while walking home can result in the loss of walking privileges and/or disciplinary action from the school. Please be responsible and careful!

I have read and understood the paragraph above and agree to be responsible and careful.

SUMMER SCHOOL AGREEMENT

The summer school program is a special, intensive program geared towards helping students review and develop weak or missing skills needed to be successful in the new school year. In the past, we have asked parents to plan ahead for summer school by putting away a dollar a day throughout the year to help pay for summer school. We are fortunate this year that many students will take advantage of our summer school opportunity.

Because we believe that the programs of summer intervention are a critical part of a child's education, we are adding a summer school agreement to the registration packet. Summer school is mandatory for any current students receiving a D or F average in language arts (reading, writing, spelling, grammar) and/or mathematics and repeating a grade. (TK and K equivalence to D or F, NM).

All new students must come to summer school in order for them to start a new school year at SLB. We are asking parents to work with their children during the year to avoid needing this program. At the same time, we also expect parents of struggling students to plan ahead and save up for summer school.

Please initial each acknowledgment

I understand that summer school will be mandatory next year for students with an average of a D or F in language Arts and /or Math or NM in TK and Kindergarten and that Summer School is also mandatory for incoming new students.

I understand if my child is at risk of failing the areas within language arts and/or mathematics, I will need to plan ahead to be able to pay for these services or I will not be able to enroll him/her for the next school year. _____

I have read the Permission for the Summer School Agreement and I understand that by my signature I agree to abide by the conditions set forth.
