JOIN US TO HONOR SAINT ANDRÉ BESSETTE NEXT SUNDAY!

WITH THE HELP OF SAINT CECILIA PASTORAL REFLECTIONS

Dear brothers and sisters,

Going to Mass during the week is a wonderful way to grow closer to Christ and to foster his life within us. Toward this end, we (with your help) have built a new daily Mass chapel, expanded the number of weekday Masses from three to seven, introduced Exposition and Adoration of the Blessed Sacrament and three opportunities to celebrate the Sacrament of Penance. In this same spirit, we decided to re-examine the weekday Mass schedule, beginning with a survey, which was completed by fifty nine folks at weekday Masses last week.

Overall, their preferred Mass time was 9am (51%), followed by 6:30am (39%) and 6pm (10%). An even stronger preference for the 9am Mass was expressed by those who indicated that they go to Mass every day (64%) and Parishioners (67%), with many of them writing that you would “go to Mass every day if there was a 9:00am.” 49% of non-parishioners expressed a preference for the 6:30am, many indicating that their preference is dictated by their work schedules.

I have decided, therefore, to modify the weekday schedule in three ways, beginning on October 1, 2023. First, the 6:30am will be moved to 9:00am to provide the most convenient time for our parishioners to get to Mass. We will also be eliminating the 6:00pm on Thursday, which usually attracts a very small number of people. Finally, we will also be adding a second day for Exposition and Adoration of the Blessed Sacrament and a fourth opportunity for confessions.

While I understand that, as with all schedules, some will be pleased and others will not, I thank you, in advance, for your patience. Most of all, I thank you for your full, conscious and actual participation in that Holy and Living sacrifice which is the source and summit of our lives.

In the Lord,

Monsignor Moroney

A Prayer for Catechists

Loving Father, we pray today for our catechists. We thank you for their gift of ministry in your Church.

Grant them your wisdom that they may grow in the understanding and teaching of your Word. Grant them also your love that they may be fruitful heralds of your Word and lead others to love you.

Pour forth your Holy Spirit upon them to grant them wisdom about what is important; knowledge of the truths of faith; understanding of their meaning; right judgement about how to apply them in life; courage to persevere even in the face of adversity; reverence before all that is sacred and holy; and that loving zeal which leads others to a transforming encounter with your Son.

We pray this through Christ, our Lord. Amen.

My dear friends in Christ,

Why is support for Catholic schools part of the mission of every Catholic, not just that of parents with children in our schools? After all, this is not the late- 19th century or early-20th century America, a time when Catholic children of immigrant families faced many obstacles when entering public schools.

A simple sign hangs in every Catholic school: "Christ is the reason for this school." Let us not be fooled. To practice and pass on an authentic Catholic faith in the classroom is becoming increasingly necessary in our society. We are called to be instruments of evangelization in society by being witnesses to the love of God.

We often hear that many community and business leaders in Central Massachusetts are products of Catholic schools. Their alma maters did not boast the fanciest buildings, or the most expansive after-school programs, or even the flexibility to express one's individuality in daily attire. What they did offer and continue to offer to this day, is attention to the individual student, sound academic and social formation and, most importantly, being formed in the Catholic faith (or in Catholic values for those of other faiths) in order to learn what true success in life really means beyond how to make money.

Each year we remind ourselves that religion is not just one topic among others in Catholic schools. The relevance of our faith can be discussed in the context of every single topic taught in our classrooms, including science, math, history, literature and languages. Faith is also a guiding force in after-school programs, sports and the arts. The Catholic school student learns that to live the good life is to live a life filled with meaning, which is not the same as living a life focused on self-indulgence or self-importance.

We recognize how difficult it is for many parents to pay tuition while often paying taxes that support public schools, but they know they are investing in their child's future, both temporal and eternal. For many families, especially new immigrant families, increased access to financial aid is the only way they can consider a Catholic school. It takes everyone sharing in solidarity with our Catholic school families.

What more can you do? Talk to family and friends about the value of the Catholic school option in our communities. Support their decision to choose a Catholic school. And, never forget the power of prayer to support the work of our teachers, administrators and staff who are dedicated to the ministry of Catholic school education, a ministry which makes tangible the love of Jesus in the life of each student they encounter.

Thank you for considering prayerfully how support of Catholic schools, in whatever way you can, will help today's students become tomorrow's leaders in both society and the Church.

With every prayerful best wish, I remain

Sincerely yours in Christ,

Most Reverend Robert J. McManus
Bishop of Worcester

HOW TO INVITE PEOPLE TO CHURCH

Tell them what Mass means to you.

Invite them for a particular Sunday.

Sit with them and explain things to them.

Give them a ride or meet them in the parking lot.

Introduce them to potential new friends.

If you can, go to lunch with them afterwards.

Take any "no" as a "not right now."
