4. Father's Blessing -- Heavenly Father, thank you for loving us so much that you sent your only beloved son to set the captives free. By his stripes we are healed. Jesus Christ, we ask that you take your heavenly ax and sever the roots of our family tree to break the power of sin and trauma that has come down the generational line. Wash it clean with your precious blood and send your ministering angels to repair and seal all of the areas of my soul and spirit that have been in bondage. (Pause)

I ask that you bless me and my family with the good virtues and graces of (i.e., chastity, purity, peace, sobriety) _____ that we need to be able to walk in wholeness of mind, body and spirit.

Heavenly Father, please bless us now with a new infilling of your most Holy Spirit.
