Holy Redeemer Building Committee Minutes 2/23/14

Present: Father William, Monica Frizzell, Eucibio Ortiz, Evaristo Garcia, Gabriel Lopez, Brad Kent and Tom Cogan, Wally Sprick, Ken (SSI); Absent: Robert Hilton

Call to Order Brad Kent
Prayer for success of building program.

Old Business:
Motion to approved minutes from January meeting, second Eucibio, all approved.

Greg Wolf emailed Father William regarding our conversation last month. Diocese requires pledges for 80% of the building fund in 3 years. This requires pledges from the 300 families of $70 a month or a total of $21,000.

New Business:
Wally's insights are that the momentum will slow but with drawings and etc. the pledge drive should begin.

Should ask Father John for sample pledge card. Discuss asking for monthly or yearly pledges. Should card already have math figured with examples etc.

Tom suggests that we give options to parish and ask them to pledge. After pledges are given then go back to parish with options if current plan is not possible.

Wally brought drawings and specifics of square feet. Will work with SSI to get final graphics and costs.

SSI possible savings: Change parish center to simple saver insulation in celling, concrete floors throughout building, sheet rock walls, metal studs, fixed glass windows, insulation (can extend insulation 3 feet between rooms in ceilings as need also can be done later as needed), gas and electric

SSI needs topo to figure cut & fill

Wally will finalize plans and get drawings. Provide us with 8x11 booklet forms with floor plan, front view, site plan, Interior view of parish hall and possibly an aerial view as well as large pictures to show to parish.

Tom motioned to go with Wally's presentation and get dollar amounts from SSI. Second by Brad all approved.

Would like to have presentation for parish by 1st of April

Parish council should be at March 23rd meeting to discuss graphics and pricing

Wally can take 1st draft of proposal to Dioceses building committee on March 25th at 3:00 p.m.

Wally will come back March 23. Ask Parish Council to join us for this meeting.

Next meeting March 23rd at 6:00 p.m.

Submitted, Monica Frizzell
