Math-Next week, we will be having our first math test. A chapter practice worksheet will be coming home. Please have do their best to complete this. The following day, we will go over it and then they will be able to use this for the test 😊

Science- We took our first science today. Students had a lot of fun playing four corners, environment edition this week! Next week, we will begin looking at how living in a group helps some animals survive.

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
