### **New Homily Series starting on the feast of Christ the King**

Study after study shows there is no practice more effective at increasing your happiness and well being than practicing radical gratitude.

While practicing gratitude is key to increasing our happiness, we often forget to do it especially during the Advent & Christmas season. In this series we will look at practicing gratitude so that we can slow down and appreciate the many gifts God has given us.

LITTLE ONES' WORD

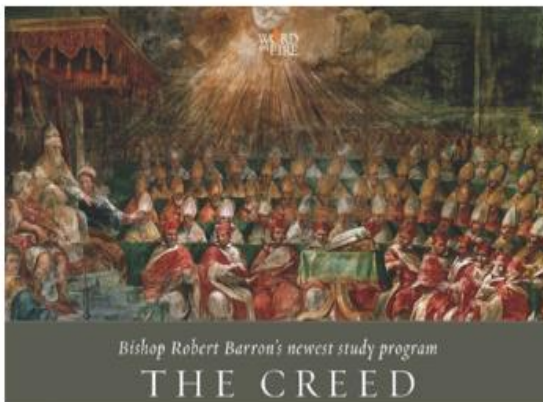

MARK 13: 24-32

## THE LESSON OF THE FIG TREE

"Learn a lesson from the fig tree. When its branch becomes tender and sprouts leaves, you know that summer is near. In the same way, when you see these things happening, know that he is near, at the gates." Jesus is telling us that He will be coming back soon. We need to make sure that our hearts are ready to welcome Jesus. We can do this by praying, sharing with others, and showing kindness to others.
