ANNOUNCEMENTS

From Father Simon:

Dear Friends,

Three years ago, when I arrived in Vincennes, I had no idea what God had planned for me here. I didn't know anyone, and I had to use my GPS to get from one church to another. Now, I am leaving a place that I call home, and people who I consider not only my friends, but my family. Thank you all for making me feel so welcome. I have learned so much these past three years, and I have made lots of good memories.

Vincennes is a strong, vibrant faith community with good people, beautiful churches and excellent schools. I will miss visiting the teachers and the children in the school.

Thank you for inviting me into your homes and sharing your families with me. Whether I was coming to visit with someone who was ill or coming for a meal, I always enjoyed spending time with you and getting to know you. I also enjoyed learning how to make fricassee and play Euchre, frying fish for the dinners, eating watermelon and cantaloupe, learning about our American history at the Rendezvous, and marching with our high school students in Washington D.C.

I am inspired by how many of you participate in the prayer groups and rosary groups that meet each month, by all of you who faithfully spend an hour or more in Eucharistic adoration and by those of you who are committed to the bible study groups. I will miss praying with you and learning with you.

Many of you have asked what will become of the Prayer Warriors when I move. I talked with Fr. Tony about the Prayer Warriors, and I am happy to say that the group will continue. What started as a small group coming together on a pilgrimage of prayer for each parish has grown. It is my dream to invite everyone in our diocese to come together in prayer for our parishes. We will now be called the "Prayer Warriors of the blessed Virgin Mary of the Diocese of Evansville". When the quarantine is over, we will resume our pilgrimage around the diocese, and I hope you will join me. More information will be in the bulletin when the dates are set.

Thank you for everything you have done for me, for your friendship, love, and care. Each of you are special to me and will be remembered in my prayers. As I start my new assignment, please keep me in your prayers, pray that the Holy Spirit will guide me. Without prayer, we can do nothing.

God bless you always,

Fr. Simon
