This is one of several summer Sundays this year that might be dubbed “hospitality Sundays”. Hospitality in most every religion is a premier virtue. Perhaps it is time to schedule an evening of reflection and prayer for the parish’s ministers of hospitality. Also pray for the new parish hall so that we may have more hospitality events.

Also pray for our country that the riots and protests can end and our country can get back on track to make our USA the country it should be. All people are created equal in the eyes of God but we are entrusted with the free will to do what is best for all concerned.
