ANNOUNCEMENTS

FROM FR. TONY:

Dear Friends,

Last week was a monumental one for our parish as we officially began the construction of our new parish hall. After many years of praying and planning, we are on the way to making a dream become a reality. Please pray that all goes well and pray that we will continue to support this project and our parish with our generous contributions.

This was also a monumental weekend in our diocese as Bishop Siegel consecrated our diocese to the care and intercession of our Blessed Mother, Mary. I encourage you to keep the beautiful prayer of consecration (found as insert) and use it often. May we always know and treasure the love of our Mother, Mary.

It was an exciting few weeks here in our local community, as we had two special blessings/dedications. First, we are so fortunate to now have our own Safe Haven Baby Box at the Firehouse on Vigo Street in Vincennes. This is a special place where, if a parent would need to give up a baby because of difficult circumstances, the baby could be placed in this safe area where it would immediately be cared for. I am happy to tell you that there are now 40 of these boxes in our country. Many lives will be saved through this great ministry. Secondly, this past Thursday, Bishop Siegel came to bless the new ultrasound machine at Heart to Heart Pregnancy Resource Ministry Center in Vincennes. This machine will save many lives over the years. We are so blessed to have these two ministries in our community. It shows that we do indeed have a deep love and respect for human life. The ultrasound machine was heavily funded by our local Knights of Columbus Council and they were also instrumental in supporting the Safe Haven Baby Box. Please join me in thanking them for their amazing support! The pro-life ministry is one of the most important ministries to the Knights.

Have a blessed week. Let us continue to pray for one another.

Love in Christ, Father Tony
