St. Michael the Archangel, defend us in battle. Be our protection against the wickedness and sna of the devil. May God rebuke him we humbly pray, and thou O Prince of the Heavenly Hosts by POWER OF GOD, cast into hell Satan and all the evil spirits, who prowl about the world seeking the ruin of souls.

FROM FATHER TONY:

Dear Friends,

As you can imagine, lots of things have changed since the beginning of the Pandemic. One of the challenges we have experienced as a parish is being disconnected from one another. This is particularly true when it comes to the homebound and those who are in nursing home facilities. Now that we are starting to see things open up more, we would like to resume regular visiting of our parishioners who would enjoy visits. If you know of someone who is homebound and/or in a nursing home facility and would like to have a minister of Holy Communion visit, please contact our parish office.

Another thing we would like to ask is, if you or someone you know is in the hospital and would appreciate a visit, please call the parish office to inform us. This is usually the only way we will learn that someone is in the hospital and would like a visit.

I also want to remind everyone that if you are going to have surgery and would like to be anointed Father Jose and I would be happy to offer you the sacrament of the Anointing of the Sick. Those who have chronic illness and are struggling to heal can also receive this sacrament. Please don't hesitate to call the office if you or a loved one would like to receive the sacrament of healing.

Let us continue to pray for all those who are in need of healing and for all of the health professionals for their tireless efforts.

God Bless,

Father Tony
