Dear Friends,

Each year, National Marriage Week USA and World Marriage Day provide an opportunity for the Catholic Church to focus on and celebrate the vocation to marriage and family life. This year, National Marriage Week USA is being celebrated this week, February 7-14, and World Marriage Day, which is commemorated on the second Sunday of February, is celebrated this Sunday, February 13. The theme for this year's celebration of National Marriage Week is: "Called to the Joy of Love."

I recall an interesting study that was conducted several years ago addressing why people leave or join the Catholic Church. The number one reason for joining was also the number one reason for leaving – the Church's strong teaching on marriage. Some people find our teaching too difficult, while many are attracted to Catholicism because we believe so strongly in the permanency of marriage. It is true that our firm beliefs can cause division at times, but we must never compromise the sanctity of marriage, for it is the cornerstone of society. We need strong marriages now more than ever!

We must also pray for and be attentive to those whose marriages are struggling and for those who are divorced. It is so hard for people to go through these challenges. They need our support and encouragement to remain active members of the Church. Please reach out to me or Father Garrett if we could ever be helpful.

During this special week, please join me in praying for all marriages and family life. I want to share a special prayer the Catholic Bishops of our country published several years ago. It says so much...

God our Father, we give you thanks for the gift of marriage: the bond of life and love, and the font of the family. The love of husband and wife enriches your Church with children, fills the world with a multitude of spiritual fruitfulness and service, and is the sign of the love of your Son, Jesus Christ, for his Church.

The grace of Jesus flowed forth at Cana at the request of the Blessed Mother. May your Son, through the intercession of Mary, pour out upon us a new measure of the Gifts of the Holy Spirit as we join with all people of good will to promote and protect the unique beauty of marriage.

May your Holy Spirit enlighten our society to treasure the heroic love of husband and wife and guide our leaders to sustain and protect the singular place of mothers and fathers in the lives of their children.

Father, we ask that our prayers be joined to those of the Virgin Mary, that your Word may transform our service so as to safeguard the incomparable splendor of marriage. We ask all these things through Christ our Lord. Amen.

Jesus, Mary and Joseph, pray for our families, that they may be more like yours.

Love in Christ,

Father Tony
