FROM FATHER TONY

Dear Friends,

I hope this finds you doing well. This week, you will receive a mailing from our parish seeking your support for our Catholic Parishes Campaign (CPC). This campaign falls at an interesting time, as we have been listening to the gospel passages about being stewards of God's gifts. The CPC is one way we can share the gifts God has given to us.

Sometimes I will overhear people say, "Why should I give my money to the CPC? That money all goes to Evansville." Well, let's think about that for a moment. It's good for us to always remember that we are part of a larger Church – the Diocese of Evansville. The funds we give to the CPC have a huge impact on many souls, here in our parish and throughout Southwest Indiana. For instance, our CPC contributions are providing for the formation and education of sixteen young men who are preparing for the priesthood. This is just one example. Please take a few moments to read the pamphlet from the diocese you will receive in the mailing this week, as it is very thorough in describing the impact your gift has on the ministry of our local Catholic Church. This should give you many reasons to believe in the CPC!

Our parish goal this year is \$25,000. If you recall, we surpassed our target goal last year. We were blessed with many generous contributions from all of you. I hope you will join in being part of this campaign by making a sacrificial gift. Know that your gift is important to so many ministries and people. Thank you for your continued generosity.

Love in Christ,
Father Tony
