Dear Mary Star of the Sea Parishioners:

A Blessed Easter to you all. We especially welcome those of you who may be visiting us from out of town. This is such a joyous season and opportunity to thank Our Blessed Lord for his Suffering, Death, and Resurrection. He died and rose for each and every one of us. He would do it all over again for the salvation of each soul so much does He love us. Below is a reflection on Easter by a great Doctor of the Church, St. Augustine. I hope you enjoy it.

Have a Blessed Week of Easter,

Fr. Harrigan

*Pastor*

### ***The Easter Alleluia***

Our thoughts in this present life should turn on the praise of God, because it is in praising God that we shall rejoice forever in the life to come; and no one can be ready for the next life unless he trains himself for it now. So we praise God during our earthly life, and at the same time we make our petitions to him. Our praise is expressed with joy, our petitions with yearning. We have been promised something we do not yet possess, and because the promise was made by one who keeps his word, we trust him and are glad; but insofar as possession is delayed, we can only long and yearn for it. It is good for us to persevere in longing until we receive what was promised, and yearning is over; then praise alone will remain.

Because there are these two periods of time—the one that now is, beset with the trials and troubles of this life, and the other yet to come, a life of everlasting serenity and joy—we are given two liturgical seasons, one before Easter and the other after. The season before Easter signifies the troubles in which we live here and now, while the time after Easter which we are celebrating at present signifies the happiness that will be ours in the future. What we commemorate before Easter is what we experience in this life; what we celebrate after Easter points to something we do not yet possess. This is why we keep the first season with fasting and prayer; but now the fast is over and we devote the present season to praise. Such is the meaning of the Alleluia we sing.

Both these periods are represented and demonstrated for us in Christ our head. The Lord's passion depicts for us our present life of trial—shows how we must suffer and be afflicted and finally die. The Lord's resurrection and glorification show us the life that will be given to us in the future.

Now therefore, brethren, we urge you to praise God. That is what we are all telling each other when we say Alleluia. You say to your neighbor, "Praise the Lord!" and he says the same to you. We are all urging one another to praise the Lord, and all thereby doing what each of us urges the other to do. But see that your praise comes from your whole being; in other words, see that you praise God not with your lips and voices alone, but with your minds, your lives and all your actions.

We are praising God now, assembled as we are here in church; but when we go on our various ways again, it seems as if we cease to praise God. But provided we do not cease to live a good life, we shall always be praising God. You cease to praise God only when you swerve from justice and from what is pleasing to God. If you never turn aside from the good life, your tongue may be silent but your actions will cry aloud, and God will perceive your intentions; for as our ears hear each other's voices, so do God's ears hear our thoughts.

In addition to the irrational destruction of the natural environment, we must also mention the more serious destruction of the human environment, something which is by no means receiving the attention it deserves...Too little effort is made to safeguard the moral conditions for an authentic 'human ecology.'

The soul that will go to confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. Mankind will not enjoy peace until it turns with confidence to My Mercy." ## FAITH FORMATION

### Passion/Palm Sunday

Today, we are inaugurated into the liturgical year's holiest most solemn week. The first days of Holy Week, serve as final preparation for the celebration of Easter. Lent ends on the evening of Holy Thursday when we begin to celebrate the Triduum, from

sunset on Holy Thursday to sunset on Easter Sunday. This is the **"mother of all feasts"** the most important three days in the liturgical year. As Jesus enters into Jerusalem the people honor him as a king by waving palms and placing them on the road to welcome him. But Jesus enters not on a war horse but rather on a donkey, which symbolizes his commitment to **non-violence** as a way to achieve God's reign of justice on earth. In the ordinary events of our lives can we make a conscious effort to be committed to **non-violence in imitation of Jesus**.

**RICE BOWL:** Please encourage your children to use the Rice Bowl they have received for their donations resulting from sacrifices they are making for Lent. We will direct the money to **help children in poor countries**.

**Recycling:** Thank you to all who help us to recycle so that we can purchase resources for the children.

**If you need further information on any of the above programs please call Sister Mary or Lorena at (310) 833-3541, ext 221, 222**
