Dear Mary Star of the Sea Parishioners:

Today in union with the Catholic Church in America we celebrate Life in all stages from Conception to Natural Death, “From the Womb to the Tomb.” Let us continue to promote the Culture of Life with our prayers, our votes, and charity to enable women to know that they deserve better than abortion, they deserve our love, respect, and support for the choice of life. Below are some very powerful quotes in support of Life, I hope you enjoy them. Have a Blessed Week.

Fr. Harrigan - The Pastor

Top 10 Pro -Life Quotes:

1. “It is a poverty that a “child must die”, So that you may live as you wish.” - Mother Teresa
2. “The Gospel of Life is not for believers alone: it is for everyone. The issue of life and its defense and promotion is not a concern of the Christian alone. Although faith provides special light and strength, this question arises in every human conscience which seeks the truth and which cares about the future of humanity. Life certainly has a sacred and religious value, but in no way is that value a concern only of believers. The value at stake is one which every human being can grasp by the light of reason; thus it necessarily concerns everyone.” - Pope John Paul II
3. “I feel that the greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself. And if we accept that a mother can kill even her own child, how can we tell other people not to kill one another? ... By abortion, the mother does not learn to love, but kills even her own child to solve her problems. And, by abortion, that father is told that he does not have to take any responsibility at all for the child he has brought into the world. The father is likely to put other women into the same trouble. So abortion just leads to more abortion. Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want. This is why the greatest destroyer of love and peace is abortion.” - Mother Teresa
4. “I’ve noticed that everyone who is for abortion is already born.” - Ronald Reagan
5. “To dissociate the child from love is, for our species, a methodological error: contraception, which is to make love without making a child; artificial (in vitro) fertilization, which is to make a child without making love; abortion, which is to unmake the child; and pornography, which is to unmake love: all these, to varying degrees, are incompatible with natural law.” - Jerome LeJeune
6. “How can there be too many children? That is like saying there are too many flowers.” - Mother Teresa
7. “America you are beautiful...and blessed.... The ultimate test of your greatness is the way you treat every human being, but especially the weakest and most defenseless. If you want equal justice for all and true freedom and lasting peace, then America, defend life.” - Pope John Paul II
8. “Before I formed you in the womb, I knew you; before you were born I sanctified you.” - Jeremiah 1:5
9. “Human life must be respected and protected absolutely from the moment of conception. From the first moment of his existence, a human being must be recognized as having the rights of a person – among which is the inviolable right of every innocent being to life.” - Catechism of the Catholic Church 2270
10. “The fundamental human right, the presupposition of every other right, is the right to life itself. This is true of life from the moment of conception until its natural end. Abortion, consequently, cannot be a human right - it is the very opposite. It is a deep wound in society.” - Pope Benedict XVI

Dear brothers and sisters in Christ,

Praying that you have a blessed celebration of the Feast of the Baptism of the Lord.

This coming May, I will be celebrating my 21st anniversary of Ordination to the Priesthood and by God's grace, Archbishop Jose Gomez and the Office of the Vicar for Clergy has granted my request for a four (4) months sabbatical time off from my regular responsibilities here at Mary Star of the Sea and at the port.

A Sabbatical (from Hebrew: *shabbat*, in Latin: *sabbaticus*, in Greek: *sabbatikos*, literally a "ceasing") is a rest from work, or a break, often lasting from a few months to a year. The concept of sabbatical has a source in *shmita*, described in several places in the Bible. For example, in Leviticus 25, there is a commandment to desist from working the fields during the seventh year.

This is not an extended vacation for me, but a period designated for rest and personal development/continuing education. I will be visiting family and friends in the Philippines for the month of February and when I come back in March, I will immediately start my program/studies in spirituality in Tucson, Arizona until May. I will be back in the parish in June. Please pray for me on my sabbatical as I would pray for all of you in my masses.

In Christ,

Fr. Freddie Chua

January 19-20

Talk to your children about the fine line between obedience and protection

Children learn from an early age that adults are figures of authority — teachers, police officers, bus drivers, babysitters. We need our children to listen to the people who are in charge of them, but this message must be communicated so that children know it's okay to stick up for themselves too. Adult predators may try to use their authority to gain control over their victims. Children should know that when it comes to private parts, secrets, and things that seem dangerous or wrong, they shouldn't worry about disobeying the adult in charge, and instead talk to a trusted adult or a parent. For a copy of the VIRTUS® parent's guide, visit <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.

19-20 de enero

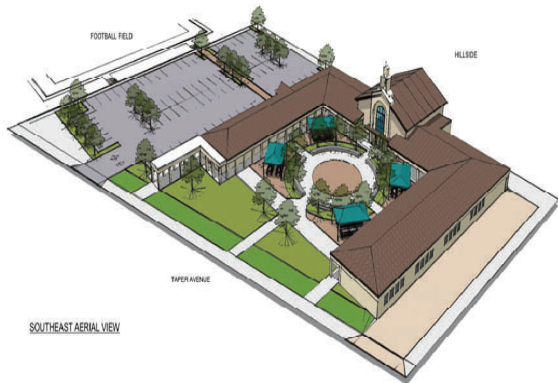

Hable con sus hijos sobre la estrecha diferencia entre obediencia y protección

Los niños aprenden desde la edad temprana que los adultos son figuras de autoridad: maestros, oficiales de policía, conductores de autobuses y niñeras. Necesitamos que nuestros niños escuchen a las personas que están a cargo de ellos, pero al mismo tiempo que sepan que está bien defenderse por sí mismos. Los depredadores adultos pueden tratar de usar su autoridad para obtener control sobre sus víctimas. Los niños deben saber que cuando se trata de las partes privadas, secretos y cosas que parecen peligrosas o incorrectas no tienen que obedecer al adulto que está a su cargo, sino que deben hablar con un adulto de confianza o un padre de familia. Para obtener una copia de la guía para padres de VIRTUS®, visite <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.

Kindly Note:

**Due to the increased cost of candles,
starting January 1st, we will be charg-
ing \$4.00 per candle. Thank you for
your understanding.**

MSHS Phase II of Building Project Begins...

The Building Commission of the Archdiocese of L.A. has approved Mary Star of the Sea High School to continue Phase II of our new building project! We have completed our conceptual design. The new building will include a chapel, a large meeting room, six additional classrooms, six offices, a senior lunch area, and additional parking. Currently groundbreaking is slated to take place between 12 and 20 months from December 2018.

The budget for Phase II will be approximately \$9 million. Through the generosity of the Shea Foundation (\$4 million) and the Dan Murphy Foundation and several individual gifts and pledges the school has approximately \$6 million funded toward this project. In addition to Phase II, we are proud to announce that over the past year we have begun the installation of the football/soccer field, which includes grading, irrigation, sod, and the installation of scoreboards for both the football/soccer and softball fields.

Creo, Jesús mío, que estas real y verdaderamente en el cielo y en el Ssmo Sacramento del Altar.

May Their Souls Rest In Peace!

Weddings are always special, but Eastern wedding are different. In Western weddings the bride is the star of the show. But in Eastern weddings, it is the groom that is featured and the groom's family have open house for a week. We are not surprised that the wine ran out on the third day! So that the groom's family would not be embarrassed, Jesus produced not just enough wine but **in abundance**.

This miracle assures us that when God takes something that is ordinary, He makes it into something wonderful. Jesus who is always present in our lives, meets our needs and works miracles on our behalf in the ordinary events of our lives. He is with us in the home taking care of the children, shopping for groceries, in the office, on the golf course and while we travel. We do not need to set up an appointment. Jesus is present. He came that we might have **abundant life**. The miracles in our ordinary lives often go unnoticed; when we become aware our faith is strengthened.

ADULT SACRAMENTS: Sessions to prepare for the reception of Confirmation and First Communion will begin on **Tuesday, January 8, 2019 from 7:00 – 8:30 pm in Room 111 in the Religious Education Building. The Sacrament of Confirmation will be celebrated on April 1, 2019.**

Recycling: A special Thank you to all who help us to recycle so that we can purchase resources for the children. We are also helping to save the earth.

If you need further information on any of the above programs please call Sister Mary or Jamie at 310-833-3541, ext. 221, 222.
