Did You Know?/¿Sabia Usted?

July 13-14

Be constantly vigilant anytime your children are near water

Drowning takes only a few seconds, especially when children have easy access to a body of water. Make sure children know the water safety rules — always go in with an adult, wear appropriate gear (floaties, goggles, etc.), and no unsupervised play near the pool. Be careful even at times when children are not supposed to be swimming, during meals, while cleaning, or any other non-pool time. Children can easily slip out unnoticed and can reach the water. Julio 13-14

Esté siempre atento/a cuando sus hijos estén cerca del agua

Ahogarse toma solo unos segundos, especialmente cuando los niños tienen fácil acceso a un cuerpo de agua. Asegúrese de que los niños conozcan las reglas de seguridad cuando estén en el agua. Que siempre estén acompañados de un adulto, use el equipo ap ropiado (flotadores, gafas para nadar o goggles, etc.) y que no juegue cerca de la piscina sin supervisión. Tenga cuidado incluso en los momentos en que los niños no deben nadar, durante las comidas, durante la limpieza o en cualquier otro momento fuera de la piscina. Los niños pueden fácilmente pasar inadverti dos y llegar al agua.
