Thank you for all of the support for last Sunday's Eucharistic Procession. There were about 460 participants in the procession and outside of some minor blisters and feet issues there were no injuries!! God is Good!! I want to especially thank all of the support regarding those who provided traffic control, first aid, water and wagons. Without these volunteers this would not have been possible. Also, a special thanks to Fathers Wolf and Mike, as well as Deacons Dennis and Ricardo for their support in this effort. God Bless all of you and I'm looking forward to next year. *Terry Marks*

THANK YOU - GRACIAS

Gracias por todo el apoyo durante la Procesión Eucarística del domingo pasado. Participaron alrededor de 460 personas y, salvo algunas ampollas leves y problemas en los pies, no hubo heridos! Dios es bueno! Quiero agradecer especialmente a quienes ayudaron a controlar el tráfico, primeros auxilios, agua y los carreteros. Sin estos voluntarios, esto no habría sido posible. También, un agradecimiento especial a los Padres Wolf y Mike, y a los Diáconos Dennis y Ricardo por su apoyo en esta obra. Que Dios los bendiga a todos y espero con ilusión el próximo año. *Terry Marks*

WE ARE THE
Body of Christ
CAPITAL CAMPAIGN

Form Following Function

The proposed Faith and Learning Center is a functional structure design to fill long-term needs. The two-story structure has twice the floors the space of the current parish hall and office complex. The building exterior has a practical, rusticated Southern Oregon appearance, featuring a craftsman-style design with wooden corbels, simulated shiplap and board and batten finishes similar in appearance to those of the church and parish hall. Transom windows in each class and meeting rooms provide natural light while preserving wall and storage space. The tower, evocative of a church steeple, is in fact the machinery loft for the elevator system. The natural looks of the facility mask a durable concrete waffle slab construction that will serve a growing faith community for decades to come.

SOMOS EL

CAMPAÑA DE CAPITAL

La forma sigue a la función

El Centro de Fe y Aprendizaje propuesto es una estructura funcional diseñada para satisfacer las necesidades a largo plazo. La estructura de dos plantas tiene el doble de espacio en plantas que el actual salón parroquial y complejo de oficinas. El exterior del edificio presenta un aspecto rústico y práctico del sur de Oregón, con un diseño artesanal con ménsulas de madera, acabados de traslape simulado y tablas y listones, similares a los de la iglesia y el salón parroquial. Las ventanas de travesaño en cada aula y sala de reuniones proporcionan luz natural, a la vez que conservan el espacio de las paredes y el almacenamiento. La torre, que evoca el campanario de una iglesia, es en realidad el atillo de máquinas del sistema de ascensores. El aspecto natural de las instalaciones oculta una resistente construcción de losa reticular de hormigón que servirá a una creciente comunidad religiosa durante las próximas décadas.
