THE GOSPEL Luke 21:5-19 + It will lead to your giving testimony.
Lord, in fall the maple trees give witness to you, and geese fly a perfect V.
And how do we ourselves testify?
At the end of the day let the work of our hands speak always of you.
Whether we work, eat, play, talk or take time with one another,
let these whisper of life's fullness and of your goodness.
When we love one another, let the world know
you are here in our midst loving us first.
When our days are done, let our
whole life, all that has been,
be witness to your
name.

Anne Osdieck

Gospel Today Thirty-third Sunday in Ordinary Time / Luke 21:5-19

Jesus says we must persevere - to persist despite obstacles. It is not always easy to follow God's will, but the rewards are wonderful - everlasting happiness in Heaven!

HEAVEN

EVERLASTING HAPPINESS WITH JESUS

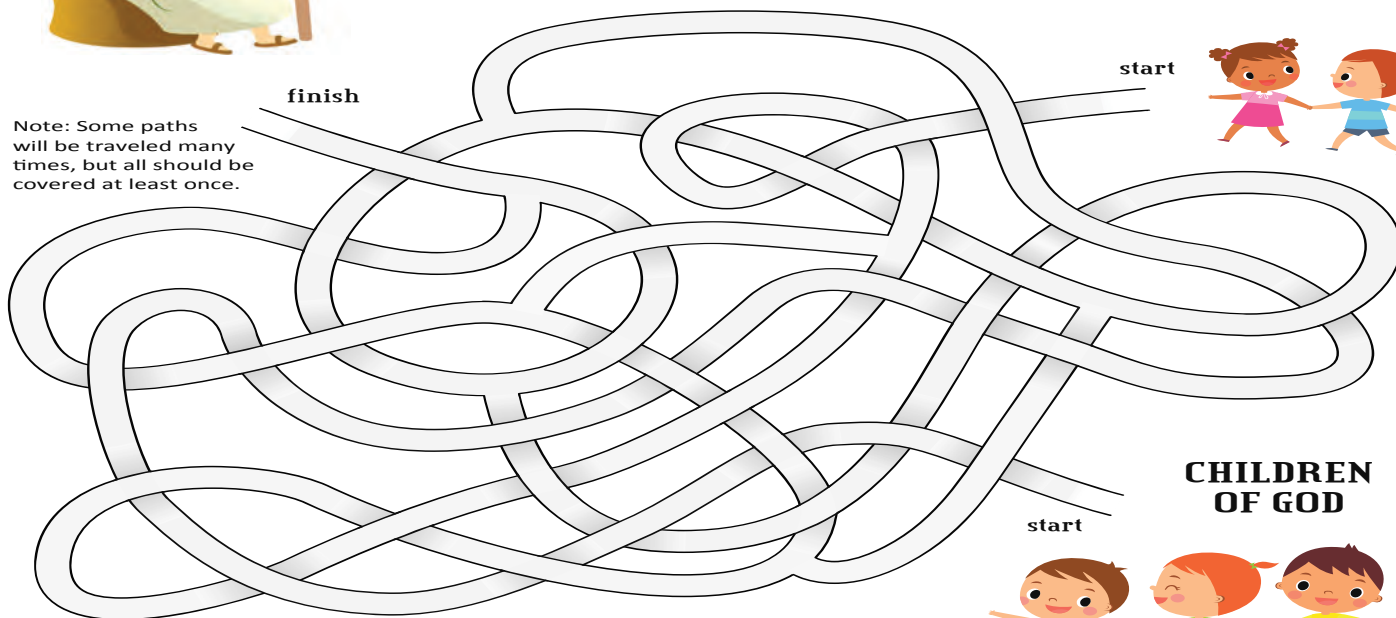

The image below is like the road of life - different paths crossing over and under (our obstacles) and open intersections offering us new directions. With crayon or marker, choose a direction and follow to the finish. Follow over and under the crossovers, but only change direction at the open intersections.

Repeat with new colors, as many times as you can find new ways to reach the finish... Heaven.

Note: Some paths will be traveled many times, but all should be covered at least once.
