FROM THE PASTOR

Dear Parishioners,

We all need leaders. We believe that we are self-sufficient and that we need no one to direct us. We can be very independent and stubborn minded. We have been taught in the United States about our rights as individuals. We sometimes think we can go it alone as a person, as a family, or even as a nation. But we all need leaders, otherwise we are scattered, misinformed and can lose our way. On our own, we all tend to forget the big picture.

Our readings this weekend talk about the need for shepherds, in other words, good leaders. A shepherd is someone who knows his flock, cares about them, has their interests at heart and would even give up his life for his flock. It is difficult to find leaders like this in our modern world. Many people want fame and notoriety and the benefits and blessings that come from being in the spotlight, but do not want to do the hard work of caring for the people they serve.

Please pray for our nation as we enter this time of election. Please pray for our church, as we continue to evangelize in challenging circumstances. We need good national leaders and we need good church leaders who will be shepherds, like Jesus himself, with their eye always on service and not profit.

Fr. Jerry Francik

Ask and You Shall Receive!

Many have you have asked our seminarians about their timeline of formation. Thank you to seminarian Connor Guidera for creating the insert in our bulletin this weekend to help explain.

We also bid farewell to Connor and Alec Goldstone who have completed their summer assignment with us. Please keep them both in your prayers as they continue on their path to the priesthood.

Adult Confirmation

If you are an adult who was baptized Catholic but were never confirmed, we will be offering a Sunday afternoon Adult Confirmation program starting in September. Those completing the sessions will be confirmed on October 20th by Archbishop Lori. Those who were baptized Catholic but did not receive First Reconciliation and Eucharist can also participate.

For more information, please contact Paul Gallagher., Director of Faith Formation at pgallagher@shgparish.org

What is the Maryland abortion ballot initiative?

The Right to Reproductive Freedom Amendment is a ballot initiative that would enshrine abortion in the Maryland constitution. It would not change abortion availability, but would remove the few safeguards in place, chill healthcare access for women and hinder a woman's personal decisions for pregnancy, including abortion pill reversal. Also, a constitutional amendment is a permanent change and would take away our legislators' flexibility to craft laws that best serve women's needs and interest, including future safeguards for their health.
