FROM THE PASTOR

Dear Parishioners,

Merry Christmas! Actually, it is Stewardship Weekend but I know how people respond to that, so I thought I'd begin with something more pleasant. I am pleased to tell you that we are growing as a parish community, our OCIA (the old RCIA) is enrolling new folks who are interested in becoming Catholic, Religious Education is ready to gear up for a full year and our school has exceeded its enrollment goals! The bad news is that we finished the last fiscal year in the red once again. This is the fifth year in a row that we have not met our budget goals.

On the administrative end, we are doing everything possible to lower costs---we now have three (3) in our maintenance department as opposed to 6 people from five years ago, our administrative staff is fewer and we are reducing energy costs. Just this past summer, we took advantage of the BGE Energy program that replaced and upgraded our lights in the Parish Center and the school. This project would have cost us \$90,000, but, by using the BGE program, we were able to put in new energy efficient LED lights at no cost to us.

We can only do so much in the cost saving column. In order to grow and prosper as a congregation we need you to increase your giving. I know times are tough and the grocery store bills are bigger than ever, but your church community needs your gracious generosity as well if we are ever to balance our budget and be able to move forward. It is quite discouraging to cut and cut and still not be able to report a good fiscal year to you.

Looking around the campus, we may assume all is well—the buildings look good, our programs continue to grow and expand, our staff is available and Masses and the Sacraments are celebrated. But, in honesty, we rely on our savings to balance out what we do not collect in Offertory. If you give \$1.00 in the loose collection (and there are some!) please double your contribution. There is not even anything on the dollar menu at McDonalds any more! If you are giving a generous amount, I ask that you please take a prayerful look at your support for Sacred Heart and increase your giving now. We need you.

That Man is You!

Join us for food, fellowship and faith this fall, Saturdays at 6:30 AM in the Mother Seton Room or on Tuesdays (location TBD) That Man is You!: The Vision of Man Fully Alive enables men to experience authentic freedom as sons of God. Through living the three-fold mission of abiding presence, joyful service and living sacrifice, their hearts and homes will experience the joy that God desires. To sustain them on their spiritual journey, the men will be led directly to the three spiritual foods that Christ himself proclaims: The Eucharist, The Word of God, and The Will of God.

All men are welcome. shgparish.org/tmy

Welcome to Commitment Weekend!

Thank you for considering how your Offertory contributions reflect the depth of your faith and commitment to our community, how you can further support the parish ministries and programs that are meaningful to you, and for seeking guidance on making your Offertory gift a more significant expression of your spiritual life.

As we continue to move forward in faith, we encourage those who have not yet made their new commitment to do so now. Your thoughtful reflections are the foundation of a stronger, more engaged community. By renewing or increasing your commitment, you directly enhance our collective efforts to support vital ministries and outreach initiatives that impact lives within and beyond our parish.

For those who contribute online, please take a moment to update your online giving profile. Ensuring your giving preferences are current is crucial in helping us plan and execute our mission effectively.

Take Action Now:

1. **Make Your New Gift Commitment:** If you haven't already pledged your support for the coming year, please do so today by filling out the commitment form. Your contributions are invaluable to our mission.
2. **Update or Start Your Online Giving:** If you currently give online, please log in to your account to confirm or adjust your giving details, ensuring your intentions are accurately reflected and implemented. If you haven't tried giving online yet, now is a great time to start. It's a secure and convenient way to ensure your contributions make a direct impact.

Visit shgparish.org/giving to make your commitment and update your profile. Together, we can make a significant impact in the lives of others and continue to grow in faith and service.

Thank you for your dedication and generosity. It is your spirit of giving that illuminates our path forward in faith, enhancing our ability to serve and celebrate God's love together.
