FROM THE PASTOR

Dear Parishioners,

This weekend, we are confronted with the rich young man who is asked by Jesus to give all that he has and come and follow Him. What a difficult request! This is a good young man. When Jesus tells him what to do, listing some of the Commandments, the young man replies that he does all of these things. He is solid. And then Jesus raises the ante. Why?

Jesus knows He has a wonderful person in front of him. He knows this young man has the desire to draw closer and to follow. He is already doing what Jewish law demands and what is expected of any God-fearing person. Yet Jesus calls him forward.

Jesus does that to each of us. Maybe that is why we are sometimes reluctant to pray or to ask God's will. We are comfortable where we are and we don't want to put the effort into changing our life or our future. We are afraid God will ask us to do something that is difficult. But God never asks us to do things until He equips us to do it. God knows us better than we know ourselves and has in mind how our lives and our abilities can change the world—if we allow ourselves to follow Him as He asks.

This week, ask yourself if you are too comfortable. Is there something that has been gnawing at you or something that has been re-occurring in your mind and heart? Perhaps God is calling you to move forward, to embrace something new, even challenging, in order to grow. Remember if we stand still, we stagnate. It is only in taking in new information, taking on new tasks, that we grow.

Fr. Jerry Francis
