- 4. Order Setting the District's Proposed Tax Rate for 2016 and Providing for Publication of Notice Thereof.** Bond Council Dan Wegmiller was present at the meeting to explain the tax rates and answer any questions the board may have. The boards questions was on maintaining the same tax rate as last year and whether or not they could put the difference in the tax rate into the debt tax. Dan Wegmiller explained that yes several entities do raise the debit service tax in order to pay off existing debt. However these monies would have to be transferred into an escrow account each year in order for this to be off the books. The bank would then be responsible to release monies when bond (s) are due. In order to keep the same tax rate the board agreed to leave the M & O tax rate at 0.2615 to prevent a roll over, and the debt service tax rate at 0.3638 to equal a tax rate of 0.6253. Director Pasarew made a motion to approve the tax rate of 0.2615 for M & O, and a I & S tax rate of 0.3638, Vice President Cook seconded the motion. All were in favor – tax rate for M & O at 0.2615 and I & S tax rate of 0.3638 to equal a total tax rate of 0.6253 for the year 2016 was approved.
