**A HUGE THANK YOU!!!**

TO SAINT AGNES PARISH FROM BROWN COUNTY WEEKEND BACKPACKS

Thank you so much for the support you have given the Brown County Weekend Backpack Program this past year with your donation of chicken noodle soup. We packed up 2,809 bags of food, or 16,854 meals! A can of chicken noodle soup is included in a backpack every month, so we go through about 125 a month. We couldn't have done it without your generous support, the support of our food purchasers, and the support of the volunteers who come to pack the bags each week. For all you do, we are truly appreciative.

**Don't forget to get your FREE Blood Pressure Readings by our wonderful Parish Nurses! These are available After ALL Masses THIS WEEKEND in the Parish Hall (Lower level of the Church).**

**PLEASE NOTE:**

This week, the parish office MAY BE CLOSED during the afternoons due to irregular staffing schedules during VBS week.

Visitors to the office should come in the morning this week, or call ahead to be sure the office is open.

Dear St. Agnes Family,

As we step back into ordinary time in our Liturgical year, it is a good time to recognize God in the ordinary details of our lives. Fr. Eric alluded to this as well, inviting us to notice the movement of the Holy Spirit in our everyday lived experience. A great way to do this is through the Examen prayer of St. Ignatius of Loyola. The Examen is a method of reviewing your day in the presence of God. It's actually an attitude more than a method, a time set aside for thankful reflection on where God is in your everyday life. It has five steps, which most people take more or less in order, and it usually takes 15 to 20 minutes per day. Here it is in a nutshell: (adapted from [www.ignatianspirituality.com](http://www.ignatianspirituality.com) Version of the Examen from A Simple, Life-Changing Prayer by Jim Manney © Loyola Press the EXAMEN the EXAMEN)

- Ask God for light. I want to look at my day with God's eyes, not merely my own.
- Give thanks. The day I have just lived is a gift from God. Be grateful for it.
- Review the day. I carefully look back on the day just completed, being guided by the Holy Spirit.
- Face your shortcomings. I face up to what is wrong—in my life and in me.
- Look toward the day to come, asking God for what you may need

May you savor the graces of God's presence in your days, open to the insights, joys and challenges.

I am deeply grateful for all the kind words, tears of sadness and genuine support I received as I announced my discernment to step down from this role. Ours hearts continue to be so grateful – yet oh so heavy. Just to clarify, my last day here will be Wednesday, July 6<sup>th</sup>. That is the transition date for all Parishes going through changes of leadership. Let us prayerfully prepare for the transition here at St. Agnes, always in light of the joy and hope of our Lord Jesus Christ.

In peace,

Mary

**Screening of the Documentary 'LIKE'**

**Understanding and Creating Balance in Social Media**

Wed, June 15, 6:30–8:00pm at Brown County Playhouse

Having a balanced perspective on how to navigate social media platforms is essential to all parents and educators raising and educating this generation. "LIKE" breaks down why we find social media so irresistible, examines who is controlling who, and gives tools to achieve greater balance. It features Silicon Valley entrepreneurs, including the co-creator of the 'LIKE' button, experts in brain science, and regular teenagers. "LIKE" tells the real story behind social media platforms: you, all of us are the product. It also tells the positive aspects of social media.
