Pastor's Corner

Dear Parishioners,

We are excited to welcome you back to the first celebration of Sunday Mass with a congregation. Due to the current situation of the COVID-19 pandemic, we have had to make some changes to our schedule and to the way in which you will participate in the celebration.

Anyone who is currently exhibiting any flu-like symptoms, coughing, sneezing, or fever is not allowed to come to the celebration until those symptoms have passed. We are also encouraging all those people who are susceptible to contracting the virus to please stay home for your safety and health.

Archbishop Gomez has dispensed everyone from the obligation to attend Sunday Mass until further notice. We must be prudent and considerate in order to protect our own health as well as the health of all of our brothers and sisters.

To accommodate all those people who cannot attend Mass, we will still be streaming Sunday Mass online. Please visit our website: straphaelsb.org for information.

We are requiring that all attendees wear a face-mask, covering the mouth and nose at all times while on the parish grounds. We are also asking that when you arrive for Mass, check in at the table in the front of church and glass doors. From there you will go directly inside to be seated by an usher. After Mass, please go directly to your vehicle; please do not gather in groups before or after Mass. I know this may be difficult as we are all excited to see one another for the first time, but we must keep everyone safe.

The "social distancing requirement" of six feet of separation between individuals means that a total of 100 people (this includes the Priest, Deacon, ushers, Communion Ministers, and musicians) will be allowed to be in the church at each Mass. Therefore, we are asking you to use the form on our parish website to **make a reservation.** If you do not have access to the internet, you may call the Parish Office and leave a message with your name, phone number, and number of people in your household who will attend Mass. You may only register those in your own household.

We have changed the Mass schedule to be able to properly clean the church after each Mass and to ensure the safety of our parishioners. If the gates are closed when you arrive at the parish, please be patient as the ushers are disinfecting the surfaces of the pews and other areas in order to make ready for your arrival.

(**Pastor's Corner,** continued)

To accommodate these preparations, the following changes have been made to the Mass schedule:

Sunday

7:00 am - English

9:00 am – English

11:00 am – English

1:00 pm – Spanish

No Evening Liturgies

We also ask you to be patient with our staff and volunteers, as they will be helping guide you to keep you safe. Please visit our website for additional information, including guidelines and protocol.

Many Blessings,

Msgr. Jon F. Majarucon

Daily Mass: Monday through Friday, 8:00 am.

Please check our website **straphaelsb.org** or **Facebook** page **www.facebook.com/SaintRaphaelSB** for the most recent updates.

New Website Coming July 1 — St. Raphael Church will be launching a new website on July 1. It will have a whole new look, but will remain at the same internet address: **straphaelsb.org**.

Make Sure Your Contact Info is Up-to-Date — Our team made thousands of calls to Parishioners who are registered in our database, to check in on them. In the process, we asked for updated contact information. If you did not receive a call or have not been receiving email updates, we do not have your (current) information on file. Please visit our website and select the links from the homepage to register your household or update info. This will add you to our email list to receive updates regarding COVID-19 and the church re-opening.

If you need assistance, please call the Parish Office at **(805) 967-5641** or email office@straphaelsb.org. We are conducting as much parish business as possible remotely. Make sure to leave your name and phone number.

Mass Intentions

The Parish Office will contact you soon to re-schedule Mass Intentions that were "put on hold" during the suspension of public Masses.

From the Business Manager

Welcome back! We have missed you! We are happy to have you back with us for Mass. Please visit our website and Facebook page for information and guidelines, including:

1. **Procedure and protocol for submitting reservation requests for Sunday Mass.**
2. **Information on entering and exiting the Church.**
3. **Practices and Protocol for attending Mass in Person.**
4. **Letter from Pastor in English and Spanish.**

We appreciate your faithfulness in prayer and financial support through this time. Your continued prayers, patience, and understanding are appreciated as we navigate this ***first phase*** *of re-opening together*. Please be respectful of the Guidelines and those who are helping to implement the protocol and policies.

In addition, the **Sacrament of Reconciliation is being offered on Friday and Saturday evenings from 5:00 pm until 6:00 pm, outdoors in the school quad**. Safe distancing guidelines are in place. A mask is required. Please be mindful of the prayerful state and adhere to silence.

The church will remain locked from the outside before, during, and after Mass (please see guidelines for information and restrictions). **The Blessed Sacrament** will be exposed in the vestibule for private prayer, after Daily Mass (Monday - Friday), on Saturday, and following the last Sunday Mass.

Our Parish Offices are closed to entry by the public. We are still operating, and can be reached via phone: **805-967-5641** and email: office@straphaelsb.org

If you are interested in volunteering as a Greeter, Usher, or to help disinfect/clean the church, please email me at Sturcios@straphaelsb.org with your name and phone number.

Thank you,
Shanelle Turcios

Protecting Our Children

Read-aloud book stories to stretch your relationship with your children. Summer is a good time to instill or develop reading habits in your children. Books are a good source to learn about new things in life and as you read together with your children it can help to strengthen your relationship with them and learn about their emotions or concerns, especially during this time of COVID-19. "Worries, fears, and anxieties are all dragons that sneak up on most of us at one time or another," says the introduction to the book "You've Got Dragons," authored by Kathryn Cave. "It is the perfect read-aloud story for young children whose fears can sometimes get the better of them." Among books recommended by the American Psychological Association (APA) are: "A feel better book for little worriers," and "My wandering dreaming mind," both in English, and "Respira con facilidad," in Spanish. Noticias de la Parroquia

Protegiendo a Los Niños — Historias de lectura en voz alta para estrechar la relación con sus hijos. El verano es un buen tiempo para enseñar o desarrollar el hábito de la lectura en sus hijos. Los libros son un buen recurso para aprender nuevas cosas en la vida, y mientras usted lee junto con sus hijos, ello puede ayudarle a fortalecer su relación con ellos y a conocer más sobre sus emociones y preocupaciones, especialmente en este tiempo de COVID-19. "Las preocupaciones, los miedos y las ansiedades son todos dragones que se nos acercan sigilosamente en algún momento", dice la introducción del libro en inglés "You've Got Dragons", de la autora Kathryn Cave. "Es una historia perfecta para leer en voz alta a sus hijos pequeños, cuyos miedos pueden algunas veces apoderarse de ellos". Entre algunos libros recomendados por la Asociación Americana de Psicología (APA, por sus siglas en inglés), está el libro en español, "Respira con facilidad", y los libros en inglés, "A feel better book for little worriers" y "My wandering dreaming mind".
