Pastor's Corner

There is an intersection near my friend's house that is a train crossing. Trains have not passed through there in over 40 years. The rails were removed long ago but the sign still stands. Only visitors/strangers heed the warning and stop. *For them, the warning sign is new*. After a time, humans do not pay attention to something that presents itself regularly. There are signs for fire extinguishers, fire alarms, yellow roadside assistance boxes, etc. We may pass them every day, yet cannot remember where it was or what kind of actual emergency device it is. I asked a parishioner once "where is the fire extinguisher?" "I don't know!" (the device was hanging on the wall right next to them). The signs were no longer seen. Today's Gospel utters the warning "You know not the day nor the hour". Foreboding words indeed. "Yeah, yeah, I know the day is coming. I'll get to Confession soon. I'll get to Communion soon." *The best way to be ready?* Each day make sure you perform a Christ-like action. When you do this, you are doing God's will. It really is that simple. How wonderful to be doing God's will every single day. Unselfish, kind, compassionate, and generous acts. When a person is involved in doing God's will, he/she will have nothing to worry about when the "end" comes like a thief in the night.

Rev. Msgr. Jon F. Majarucon

Together in Mission 2022:

"As One We Believe"

As one Catholic community of faith, let's pray and reflect on how we can continue to help our struggling parishes and schools in the Archdiocese of Los Angeles. One in every five parishes needs financial assistance, and one in every four Catholic schools needs critical funds to keep their doors open. Together, let's make a difference and gather as one Catholic family for our schools and parishes. Make a gift today!

Protecting Our Children

"Did You Know?"

According to the National Center for Missing & Exploited Children, there are a few significant ways that children go missing. Nearly half of all families with autistic children have reported that their children wander and have gone missing. Other ways include abduction, either by a stranger or family members, and child sex trafficking. Parents need to be aware of warning signs and know how to take action. For information, request a copy of the VIRTUS® article, "Ways Children Go Missing," at lacatholics.org/did-you-know/.

Protegiendo a Los Niños

Según el Centro Nacional para Niños Desaparecidos y Explotados, hay algunas formas significativas en que los niños desaparecen. Casi la mitad de las familias con niños autistas han informado que sus hijos deambulan y después desaparecen. Otras formas de desaparición incluyen el secuestro, ya sea por un extraño o por miembros de la familia, y el tráfico sexual de niños. Los padres de familia deben estar atentos a las señales de advertencia y saber cómo actuar. Para obtener información, solicite una copia del artículo de VIRTUS® en inglés, "Ways Children Go Missing" (Formas en que desaparecen los niños), en lacatholics.org/did-you-know/.
