THE RICHNESS OF THE WORD

We live in an instant world of microwaves and drive-throughs and a disposable society in which things quickly become obsolete, so today's message is very strange. In all the readings today, and especially in the Gospel, we see transformation, but it is not something that happens overnight, nor does it take place without effort. We are met with parables of a patient and loving God who can see a positive out come at the end and is willing to wait and nourish us and help us all get there. The sower's seeds require a growth period and some careful sorting. To make the bread, one must knead it and wait patiently. In planting a mustard seed, something so tiny yields great results, but not until after completing a period of dormancy and waiting.

LA RIQUEZA DE LA PALABRA

Vivimos en un mundo instantáneo de microondas, comida rápida entregada en ventanillas y en una Sociedad desechable en las que las cosas se vuelven obsoletas tan rápido, por lo que el mensaje de hoy es muy extraño. En todas las lecturas de hoy y especialmente la del Evangelio, vemos la transformación, pero no es algo que ocurra de la noche a la mañana, ni tampoco pasa sin esfuerzo. Nos encontramos con parábolas de un Dios paciente y amoroso que puede ver un resultado positivo al final y está dispuesto a esperar, a alimentarnos y ayudarnos a todos a llegar a llegar allí. Las semillas del sembrador necesitan de un tiempo para crecer y de cuidados. Para preparer el pan, se debe amasar la masa y esperar pacientemente. Al plantar una semilla de mostaza, algo tan pequeño que produce grandiosos resultados, pero solo hasta que cumpla un periodo de inactividad y espera.

Requiescat in Pacem (R.I.P.):

"LIVE THE TRUTH AND BEAUTY OF GOD'S PLAN FOR MARRIED LOVE!"

It's about love. It's about life.
It's about freedom. It's about gift.

National Natural Family Planning Awareness Week—July 19-25, 2020

The sacrament of marriage symbolizes Christ's relationship with His Church. What is this relationship but one of generous, self-sacrificing, passion-filled, and fruitful love! When married couples live their vocation according to Church teachings, especially regarding the transmission of life, many benefits can be reaped. Indeed, married couples who use Natural Family Planning (NFP) report that the benefits include growth in: understanding and appreciation of their fertility; emotional maturity—especially in their spousal communication; holiness; and respect for God's gifts for married love.

"¡VIVE LA VERDAD Y LA BELLEZA DEL PLAN DE DIOS PARA EL AMOR CONYUGAL!"

Se trata de amor. Se trata de la vida.
Se trata de la libertad. Se trata del regalo.

Semana Nacional de Concienciación sobre la Planificación Familiar Natural
19-25 de julio de 2020

El sacramento del matrimonio simboliza la relación de Cristo con su Iglesia. ¿Qué es esta relación sino una de generoso, bueno, lleno de pasión y de amor fructífero? Cuando los matrimonios viven su vocación de acuerdo con las enseñanzas de la Iglesia, especialmente en lo que se refiere a la transmisión de la vida, se pueden cosechar muchos beneficios. De hecho, las parejas casadas que utilizan la Planificación Natural de la Familia informan que los beneficios incluyen el crecimiento en: comprensión y apreciación de su fertilidad; madurez emocional, especialmente en su comunicación conyugal; santidad; y respeto por los dones de Dios para el amor conyugal.
