### DID YOU KNOW?

*What to do before administering baby or child first aid*  
 When a child or baby is experiencing a medical crisis, it is important to provide care and seek help as quickly as possible. But because their bodies are still forming, more delicate, and more compact than an adult's, delivering child or baby first aid is different than administering care to an adult. Please review the following steps provided by the American Red Cross,  
<https://www.redcross.org/take-a-class/first-aid/performing-first-aid/child-baby-first-aid>.

### SAFEGUARD THE CHILDREN

For particular parish help, you may call our parish Office Safeguard the Children Committee at (323) 253-8696 or our Parish Office (213) 250-8818.

### Pope Francis' Prayer to Saint Joseph

Hail, Guardian of the Redeemer,  
 Spouse of the Blessed Virgin Mary.  
 To you God entrusted his only Son;  
 in you Mary placed her trust;  
 with you Christ became man.  
 Blessed Joseph, to us too,  
 show yourself a father  
 and guide us in the path of life.  
 Obtain for us grace, mercy and courage,  
 and defend us from every evil.  
 Amen.

## *St. Teresa of Ávila, Virgin and Doctor of the Church*

October 15 – Memorial

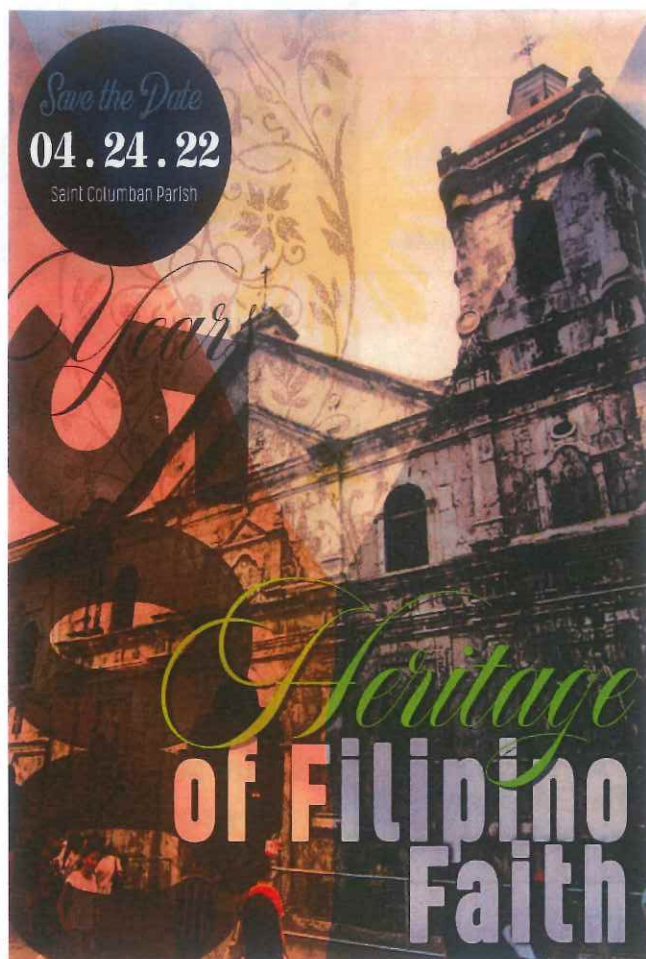

*Patron Saint of headache sufferers and lacemakers*

The call for reform of the Church has rung out through the centuries down to today. However, it is largely misplaced. Reform of Church structures is required periodically for her internal well-running. But purification is needed more than reform. The constant purification in holiness of the baptized is harder, more efficacious, and more enduring than the reform of Church organs of governance. Today's saint was a reformer, yes, but she was first a purifier. She purified herself, her religious sisters, and then the Carmelite Order. Structural reform came last, after she had died. Saint Teresa of Jesus, commonly known as Saint Teresa of Ávila, was the inspiration for the great Teresas who followed her: Saints Thérèse of Lisieux, Teresa Benedicta of the Cross, and Mother Teresa of Calcutta...

Teresa spent her last twenty years founding new convents as she traveled throughout Spain, all the while living in the most primitive conditions. By middle age she had earned a reputation for holiness, for legitimate mysticism, for affability, and for total obedience to the Church. She lived what she demanded of others. She led by example. And she did it all with a cheerful disposition and a rich personality that overcame deep-seated opposition. The Discalced Carmelites were given their own Spanish province in 1580 and were recognized as a distinct Order in 1594, twelve years after Teresa's death. On a banner day in 1622, Teresa was canonized with Saints Philip Neri, Ignatius of Loyola, and Francis Xavier. Teresa was the first female non-martyr to have her feast day extended to the universal Church, and due to the profundity of her mystical writings, she was declared a Doctor of the Church by Pope Saint Paul VI in 1970.

### *Prayer*

Saint Teresa of Jesus, your colorful character and recollected soul merged into a powerful personality that brought about needed change. Through your intercession in heaven, assist all religious to purify themselves and their orders in accord with God's will for the Church.. Amen.
