DID YOU KNOW?

Watch out for fire dangers

Christmas is a popular time to decorate with candles and electric lights, both inside and out of the house. These decorations can be beautiful and festive, but also come with the risk of fires. Parents should make sure to keep candles out of reach of children, and off surfaces where they could be easily knocked over. All lights should be checked for faulty wires or other defective parts that could cause a fire. For more information, read the "Holiday Safety" article on *nsc.org/community-safety/safety-topics/seasonal-safety/winter-safety/holiday?*

Prayer

O Baby Jesus in the manger, Your humble coming as man fills us with hope that our lives matter, that God is truly with us, and that we are never alone, even in death. You shared our human nature in every way but sin, and so give us hope that we will one day share life in heaven with You. Amen.
