

August Homework - Faith Formation

Parents, please click the links listed for the grades in which you have children enrolled. Please print out the pages they need to turn in for the next class. Although printed copies are PREFERRED, if you do not have a printer, they can write their answers NEATLY on a sheet of paper to turn in. Otherwise, please print them. The books needed for the SJC assignments for 2nd Grade thru Confirmation are the Catechism books they have received to borrow for this year. Please take care of these books! They must be returned in great condition to avoid paying \$15 for a replacement copy. For the VIP homework, you MUST print page 2 for each child you have in the program, even if they all do the same assignment.
