Fr. Dat Hoang

Love Heals, the Heart of Worship

Sonja Corbitt

We've heard all our lives that the first and greatest Commandment is to love the Lord God with all our heart, soul, mind and strength (Mark 12:30). But no one ever told us how. No one ever told us it's because love heals. Sonja's first talk illuminates how we love God with all our heart and soul. Her second talk reveals how we love God with all our mind and strength.
