

ST. LAURENCE WEEKDAY CHILDREN'S PROGRAM

THANKSGIVING

As Thanksgiving approaches, we're taking time at WCP to help our little learners understand what it means to be kind and thankful.

In our classrooms, we've been talking about ways to show kindness such as helping a friend, using kind words, and sharing with others. We're also exploring gratitude by thinking about the people and things that make us feel happy and loved. These small lessons help children build empathy, appreciation, and a sense of community — values that shine especially bright during the holiday season.

We're thankful for you, our wonderful families, for your continued support, trust, and partnership in helping our children grow!

Wishing you all a joyful and gratitude-filled Thanksgiving!
Prayer for gratitude, click [here](#).
