Group Activity

Working together as a group, list at least five (5) ways you can show someone that you *respect* their *human dignity*.

Then share your ideas with the class.

1.

2.

3.

4.

5.

At home, discuss the following with your family:

- What's one important characteristic of your family?
- What do you love about how your family does things?
- How can you celebrate or learn about a culture different from your own?
- What can you do to let someone know you know how special he or she is?
