

Saint Stephen Catholic School

Tuition Assistance 2025-26

Catholic school tuition can be made affordable through scholarships and tuition assistance. Please see below for more information on state scholarships and tuition assistance.

Tuition Assistance for Students Not Receiving State Scholarships

St. Stephen tuition assistance (Heart to Heart for grades PK-8) and Diocesan Tuition Assistance (CSTAG for grades K-8) may be available for families receiving the Active Catholic Parishioner Tuition Rate, have difficulty meeting the cost of a Catholic education, and **do not qualify for a state scholarship (proof of denial required)**. Applications are submitted through FACTS, and decisions are based on FACTS' recommendations. Families who do not qualify for Tuition Assistance may write an appeal letter to the Financial Aid committee explaining any special circumstances to be considered. Tuition Assistance does not cover registration, security fee, device fee, or fundraising obligations.

CSTAG applications are made through FACTS Grant and Aid. The deadline to complete this application is **April 30, 2025**. A link to FACTS Tuition Management & Grant and Aid is on the school website, <https://www.sscsfl.org/> under Parents Links or go to <https://factsmgt.com/financial-management/grant-and-aid-assessment/>. All supporting documentation must be submitted for the application to be complete. No application will be considered without all paperwork, including IRS Federal 1040 U.S. Income Tax Return, W-2 Wage & Tax Statements, any other supporting documentation for household income, and the FACTS application fee. The Financial Aid Committee will review the FACTS application, and families will be notified of Tuition Assistance awards. If your child is a recipient of a Florida Tax Credit or Family Empowerment Scholarship, they are not eligible for the Diocesan Tuition Assistance (CSTAG).

Heart to Heart applications are also made through FACTS Grant and Aid and the deadline to complete the application is **April 30, 2025**. Heart to Heart is the school's tuition assistance program and is available to families who are active parishioners at St. Stephen Parish only. Donations to this program come directly from St. Stephen parishioners with the intention of supporting students in our parish. In order to be considered, families must attend Mass consistently and regularly (at least 75% of the time) for at least three consecutive months before an initial request for financial aid. Mass attendance is verified through the use of church envelopes. Continued proof of Mass attendance is required while enrolled at St. Stephen Catholic School. **If you are currently receiving Tuition Assistance, you must submit a new application each year.**

Families receiving the Florida Tax Credit Scholarship or Family Empowerment Scholarship (Step Up for Students or AAA Foundation) do not need to complete a FACTS application because they are not eligible for Heart to Heart or CSTAG. Please check each scholarship's website for requirements and deadlines (see more information below).
