

Parent Taught Formation Seventh Grade

2023-
2024

Instructions:

Welcome to our Parent Taught Formation Program for 2023-2024. We are happy to partner with you to help form your child in the faith!

Please read all the instructions.

How to Use This Calendar

Below please find a calendar that gives you the sessions that will be covered in the classroom formation option with some necessary variations. This calendar is provided as a guideline. You have permission to be flexible with this schedule. If you get to a session that you think your child will find too easy, please review the concepts, and move to the next. Similarly, feel free to spend more time on a session that has a lot of new concepts for your child to grasp. You will note that sometimes sessions are doubled up that you can separate if you choose, and some sessions are not even listed. Please feel free to do MORE of the book than what is listed. I have allowed for your family to have the same “time off” that our classroom option is taking, but feel free to use those off weeks to spread the sessions out.

Turning in Assignments

Lessons will be turned in at the reception desk in the RE building by the first of each month. I will have a bin labeled “Parent Taught Formation Lessons” at one end of the reception desk. Please make sure your lessons are labeled with your child’s name and are securely fastened together if there is more than one page. Please feel free to turn in sessions when you come to Mass each week if you choose.

Parent Meeting

Please plan to attend the parent Taught Parent Meeting on Zoom on Monday, August 28 at 7:30 pm. It should take about an hour.

Catechist Guide Access is Online

Your catechists guide for you to reference to know how to teach your child each lesson will be available through your email account you provided on your registration form. We will go over that process in our parent meeting. To access your catechist manual, go to SophiaTeachers.org and log in. Use your email as the username and the password **sophia**

You should be able to locate and open your child’s grade level catechist manual.

Parent Guide

I encourage you to read through the Parent Guide. There are many opportunities for you and your child to step in and be an active part of the community here that are found in the parent guide.
