

# FRIDAY NOTES — January 30, 2026

The MO Scholarship Application Process requires a child who may have or has a special need to be evaluated by the public school district in which the child resides. The application process also requires that the child's IEP be written by the public school district of the child.

So many **STARS** these past two weeks—and I want to be clear: this isn't a "you get a **STAR**, you get a **STAR**, everyone gets a **STAR**" moment. These recognitions are meant to shine a light on those who consistently go above and beyond daily expectations.

Yesterday, Mrs. Tessin sent more than **80 thank-you notes** to the many individuals who set up, supported, stuffed swag bags, printed and picked up posters, arranged tables, provided nourishment, served as runners, and acted as parent and student ambassadors and greeters for both the SCCA School Fair and the SSP Wednesday Night Open House. While June sent the thank-yous, she herself was the key to the overall success of these events—and, quite honestly, most SSP events.

A special thank-you as well to **Jim Sciaroni and Fidencio Tomas**, who worked tirelessly to clean our campus so we could return after *Snowmageddon*. Gratitude also goes to the **PTO**, under the leadership of **Jill Summary**, for providing treats, assisting with setups, and helping make Catholic Schools Week memorable—including tonight's Glo Dance.

Equally hard at work around campus are **Kim Armstrong, Sara Dannan**, and our Artist Liaison, **Jenna Chierek**, preparing for the Queen of Hearts Masquerade Gala.

We often say "*it takes a village*," but rarely is that phrase so fully embodied as it is in the daily hustle, vibrancy, and teamwork on display at SSP School. Thank you to all who make a difference—every single day.

*it takes a village to raise a child*

## Girls on the Run is for **EVERY girl**!

**Girls on the Run is an  
afterschool program like  
no other!**

Twice per week for 8 weeks, girls will have fun, make friends, increase their physical activity levels and learn important life skills. Trained and caring Coaches lead 3rd - 5th grade girls through interactive lessons and movement activities. The season ends with her and her adult Running Buddy (parent/guardian, etc.) completing a noncompetitive 5K event.

### Why it matters It's fun. It's effective.

Girls who were the least active at the start of the program increased their physical activity by more than 40%\*

97% of participants said they learned critical skills to manage emotions, resolve conflict, help others or make intentional decisions\*

\*Results based on an independent study conducted by Positive Youth Development expert Maureen R. Weiss, Ph.D.

**Questions?**  
Contact Marcy Meyer at  
[marcy.meyer@saintstephenstl.org](mailto:marcy.meyer@saintstephenstl.org)

Participating in Girls on the Run transforms girls' lives by helping them increase their self-confidence, develop healthy relationships, and feel good about themselves, inside and out.
