Notice on Security Changes During Mass

With the ever increasing assaults on our public, religious and governmental gathering places, we are taking steps to secure our worship environment during all Sunday Masses and any Masses celebrated throughout the liturgical year.

Effective immediately, the main doors facing the Kelly Street side will be locked after 11:05AM and 1:05PM.

We also ask that you remain vigilant, not put yourself or family in harms way and report any suspicious activity to the security that we will have in place.

Let us live and worship in Peace

Weekly Reflection from Fr. Pau

With the metaphors of salt and the light, Jesus outlines our role as Christians in this world. As a symbol of God. In the ancient world, salt was used to prevent the putrefaction of meat, fish, and fruits in pickles. Since salt lends flavor to food items, it was also used to season and preserve food.

Jesus wants us to be salt and offer ourselves to God. Let us be an example of purity in speech, in conduct, and in thought. As salt is an anti-septic and healing agent, we must have an anti-septic influence on life and society, defeating corruption, fighting against injustice and making it easier for others to avoid sin.

As salt preserves foods, we need to preserve our Faith, Christian cultural values, and moral principles, and work for reconciliation. As salt is a food-flavoring agent, we need to add flavor to the lives of desperate people through outreach programs, which give meaning to their lives, boost their morale, offer them occasions to help others, and provide hope.

Light is meant to be seen. A lamp or light is a guide to make clear the way. It serves also as a warning (traffic lights). Light (the sun), gives heat. Let us receive the light of Christ and radiate it to everyone as love, kindness, mercy, forgiveness, humble service, and respect for to all.

In darkness, let us be guiding light showing the correct way, shining through the darkness with Christ's Light, thus removing the darkness caused by hatred, prejudice and jealousy.

As children of light, let us give timely and loving warning of physical and moral danger to those we encounter. As a warming light, let us offer warmth to the cold hearts of others with affectionate words and deeds.
